A project site visit will be held on Thursday, May 2, 2013 at 10:00 a.m. to physically view the four locations along the trail. Proposers interested in attending are directed to meet in the Islands and Ocean Visitor Center parking lot.

The budget for art is estimated to be between $2,500 and $3,500 per site. The proposals will be evaluated by a review committee comprised of USF&W and Homer Public Works personnel. This project will utilize Community Coastal Impact Assistance Program Grant funding from the State of Alaska Department of Commerce, Community and Economic Development Division of Community and Regional Affairs. All ideas and concepts will be considered.
