## Spit property available for seasonal rental

Entrepreneurs with seasonal or other short-term business operations might want to take advantage of a prime location on the Homer Spit.

The Homer City Council has designated an area just off Homer Spit Road overlooking the north end of the harbor to be offered for short-term rental to small businesses. The property is ideally situated for businesses that seek to attract the thousands of tourists and local residents who visit or work in the harbor area during the busy summer season. (See attached map.)

The minimum size property to rent is 250 square feet. Monthly rental rate is \$2 per square foot. No utilities are included.
