

Intro to Computing

Event Title: Intro to Computing

Date/Time: Fri, Feb 3rd 1:30pm - 3:00pm

Location: Library Meeting Room

Friday, February 3, 1:30-3:00pm. For absolute beginners on computers - what you need to know to get started.

A computer class for those who have rarely, if ever, worked on computers before. The class, which will cover such basics as how to use a mouse, basic computer vocabulary, and the top five things you need to know when you start up a new computer for the first time, will be held on the First Friday of each month from 1:30-3 prior to the Tech Help Session held starting at 3:30 on the same day each month. The class will be taught by Ryan Ridge of Big Woofs Technology, and will be free and open to the public on a first-come, first serve basis.
