

Kachemak Currents

The Kachemak Currents is a newsletter that is produced and distributed by the City Clerk's Office. The information contained in the newsletter is highlights of the previous quarter City Council Meetings and upcoming quarter Local Improvement Assessments. It contains contact phone numbers for City Departments and any Special Projects that are currently going on within the city limits.

In our efforts to contain costs and reduce energy usage the newsletter is going digital. This is the latest step in acquiring our goal. Currently this newsletter is mailed or emailed to over 1800 city Water and Sewer customers and those who moor a vessel in our harbor.
