RESOLUTION 12-026

A RESOLUTION OF THE CITY COUNCIL OF HOMER, ALASKA, AMENDING THE CITY OF HOMER FEE SCHEDULE TO PROVIDE THAT A MULTIFAMILY RESIDENTIAL ACCOUNT CUSTOMER IS CHARGED ONLY A SINGLE MONTHLY SEWER AND WATER CUSTOMER CHARGE AND INCREASING THE WATER AND SEWER CUSTOMER CHARGE FOR ALL CUSTOMERS TO COVER THE RESULTING BUDGET DEFICIT.

WHEREAS, The Homer City Council, through adoption of Resolution 11-094(S), established new water and sewer customer service charges for individual units within multi-family dwellings and lowered the consumption levy for these units from commercial to residential rates;

WHEREAS, The Council has since received testimony that the new customer service charges place an undue burden on property owners, the elderly, and low income residents; and

WHEREAS, It is in the public interest to redistribute the costs of maintaining and operating the water and sewer system and to insure that the utility fund budget is balanced; and

WHEREAS, It is the intent of this resolution to provide that multifamily residential unit account customers pay only a single monthly water and sewer customer service charge, that these units continue to pay residential rates for consumption, and that the budget be balanced by increasing the water and sewer customer service charge for all customers across the board.
