

New Reserved Stall Offers

Event Title: New Reserved Stall Offers

Date/Time: Tue, Nov 5th 5:00pm

Location: Homer Harbor Office

A Notice to All New Stall Offer Recipients:

New stall offers for the 2013-2014 year are due **Tuesday, November 5, 2013 by 5:00 pm**. Individuals that were on the Stall Wait List and have been offered a stall were mailed the appropriate paperwork mid-October.

All reserved stalls begin October 1st and expire September 30th. If you still have transient moorage left over that had been purchased prior to October 1st, it will be available to you as a credit and will reflect on your paperwork.

Please note that we will need a copy of your proof of ownership. This will be the boat registration you receive from the DMV **OR** the documentation from the USCG. If you've recently purchased the boat and do not have either of these, we can accept a copy of the bill of sale as long as it's been within the year. If you've misplaced your registration/documentation or it's inaccessible, copies can always be requested from the source that provides them.

Offered a stall that you don't particularly care for? Once a person becomes a reserved stall lessee, they can put in a [Reserved Stall Swap Request](#). These requests are good until fulfilled and do not need to be renewed each year (as the stall wait list). Every year after we complete stall renewals, we fulfill swap requests as they become available before we offer new stalls. So, if you're offered something you don't like, you have a much better chance of getting your preferred stall if you accept the offer and then apply for a swap request than if you were to decline the offer and try your chances next year.

Please contact the Homer Harbor Office if you have any questions or concerns.

Helpful Forms:

- Misplaced your paperwork and/or need a new moorage agreement?
 - [Moorage Agreement](#)
- Are you a new stall lessee and interested in swapping to a different reserved stall?
 - [Reserved Stall Swap Request Form](#)
- Are you a reserved stall lessee or transient vessel looking to stay in the harbor through the winter and
