The City of Homer is seeking proposals from qualified financial institutions to provide capital project financing for construction of the proposed natural gas distribution systems within the municipal boundaries of Homer and Kachemak City. After construction, the infrastructure financed by the loan will be owned and operated by Enstar Natural Gas Co. The two cities request separate but bundled loan agreements. Both Cities are establishing Special Assessment Districts and property assessments will be pledged to repay the debt. The City of Homer requests authorization to borrow up to \$12.7 Million. Kachemak City seeks authorization to borrow up to \$1.1 Million. It is hoped that financing could be finalized and approved no later than mid-February 2013. Construction contracts are scheduled to be awarded shortly thereafter.
