Section 8 – Execution. The Bond shall be executed in the name of the City by the signature of the Mayor, and its corporate seal shall be impressed or otherwise reproduced thereon and attested by the signature of the City Clerk. The execution of the Bond on behalf of the City by persons who at the time of the execution are duly authorized to hold the proper offices shall be valid and sufficient for all purposes, although any such person shall have ceased to hold office at the time of delivery of the Bond or shall not have held office on the date of the Bond.

Section 9 – Payment of Principal and Interest. The Bond shall be payable in lawful money of the United States of America which at the time of payment is legal tender for the payment of public and private debts. Installments of principal and interest on the Bond shall be payable on the due date in immediately available funds at the office of the Registered Owner in Soldotna, Alaska, or at another location specified at the option of the Registered Owner; provided that the final installment of the principal of the Bond, plus accrued interest, shall be payable upon presentation and surrender of the Bond by the Registered Owner at the office of the Registered Owner in Soldotna, Alaska.

Section 10 – Registration.

(a) Bond Register. The Bond shall be issued only in registered form as to both principal and interest. The Registrar shall keep, or cause to be kept, a Bond Register at its principal office. The Treasurer of the City is hereby appointed as Registrar and paying agent for the Bond.

(b) Registered Ownership. The City and the Registrar, each in its discretion, may deem and treat the Registered Owner of the Bond as the absolute owner thereof for all purposes, and neither the City nor the Registrar shall be affected by any notice to the contrary. Payment of the Bond shall be made only as described in Section 9, but such registration may be transferred as herein provided. All such payments made as described in Section 9 shall satisfy and discharge the liability of the City upon the Bond to the extent of the amount or amounts so paid.

(c) Transfer or Exchange of Registered Ownership. The registered ownership of the Bond may be transferred or exchanged, but no transfer of the Bond shall be valid unless it is surrendered to the Registrar with the assignment form appearing on such Bond duly executed by the Registered Owner or such Registered Owner's duly authorized agent in a manner satisfactory to the Registrar. Upon such surrender, the Registrar shall cancel the surrendered Bond and shall cause to be executed and delivered, without charge to the Registered Owner or transferee, a new Bond (or Bonds at the option of the new Registered Owner) of the same date, maturity and interest rate and for the same aggregate principal amount, naming as Registered Owner the person or persons listed as the assignee on the assignment form appearing on the surrendered and canceled Bond. The Bond may be surrendered to the Registrar and exchanged, without charge, for an equal aggregate principal amount of Bonds of the same date, maturity, and interest rate. The Registrar shall not be obligated to transfer or exchange the Bond following any notice of redemption.

Section 11 – Lost Stolen, Destroyed or Mutilated Bond. Upon surrender to the Registrar of a mutilated Bond, the City shall execute and deliver a new Bond of like maturity and principal amount. Upon filing with the Registrar of evidence satisfactory to the City that a Bond has been destroyed, stolen or lost and of the ownership thereof, and upon furnishing the City with indemnity satisfactory to it, the City shall execute and deliver a new Bond of like maturity and principal amount. The person requesting the execution and delivery of a new Bond under this section shall comply with such other reasonable regulations as the City may prescribe and pay such expenses as the City may incur in connection therewith.

Section 12 – Application of Bond Proceeds. The proceeds of the sale of the Bond shall be applied to pay the costs of designing and constructing the Improvement, including the funding of the reserves required herein, and to pay all costs incidental thereto and to the issuance of the Bond, including without limitation the costs of the Lender as provided in the Loan Agreement, and shall be deposited in the appropriate funds or accounts of the City for such purposes.

Section 13 – Sinking Fund. A special fund of the City designated the "City of Homer Natural Gas Distribution Special Assessment Bond Sinking Fund" is hereby created for the purpose of paying and securing the payment of the Bond. The Sinking Fund shall be held separate and apart from all other funds and accounts of the City and shall be a trust fund for the Registered Owner of the Bond. Payments of principal and interest on assessments levied for the Improvement in the District shall be deposited in the Sinking Fund. Amounts in the Sinking Fund shall be used to pay principal and interest on the Bond, and are hereby pledged for that purpose. Prepayments of assessments shall be applied to prepay the principal of the Bond, and upon any such prepayment the amortization of the principal of the Bond shall be adjusted so that each remaining scheduled payment of principal and interest on the Bond shall be in an equal amount.

Section 14 – Reserve Fund.

(a) A special fund of the City designated the "City of Homer Natural Gas Distribution Special Assessment Bond Reserve Fund" is hereby created for the purpose of paying and securing the payment of the Bond, and is hereby pledged for that purpose. The Reserve Fund shall be held separate and apart from all other funds and accounts of the City and shall be a trust fund for the Registered Owner of the Bond. There shall be paid into the Reserve Fund:

(1) That part of the proceeds of the Bond which is designated for deposit in the Reserve Fund by the Loan Agreement; and

(2) All monies received from ENSTAR as refunds of main extension advances or free main allowance arising out of new customers connecting to the Improvement; and

(3) Any Sinking Fund and Guaranty Fund balances remaining after the discharge of the Bond.

(b) Until the Bond has been discharged, the funds in the Reserve Fund may be used only to pay the difference between the amount of principal and interest due on the Bond and the amount in the Sinking Fund that is available to pay that principal and interest; provided, if the Finance Director determines that the amount of funds available in the Reserve Fund exceeds the amount of the next annual installment of principal and interest due on the Bond, the Finance Director may apply such excess to a prepayment of the Bond.

(c) At such time as the Finance Director determines that the sum of the amounts in the Reserve Fund, the Guaranty Fund and the Sinking Fund equals or exceeds the amount required to (i) discharge the Bond, (ii) pay all refunds of assessments required upon discharge of the Bond, and (iii) pay any other amounts that may be owing on the Bond, the Finance Director shall cause such payment to be made and the Bond to be discharged.

Section 15 – Guaranty Fund. A special fund of the City designated the "City of Homer Natural Gas Distribution Special Assessment Bond Guaranty Fund" is hereby created for the purpose of paying and securing the payment of the Bonds, and is hereby pledged for that purpose. The Guaranty Fund shall be held separate and apart from all other funds and accounts of the City and shall be a trust fund for the Registered Owner of the Bonds. The Council annually shall appropriate to the Guaranty Fund a sum the Council determines to be adequate, with all other available funds, to cover a deficiency in the funds available to pay principal and interest on the Bonds if the reason for the deficiency is nonpayment of assessments when due. Money received from actions taken against property for nonpayment of assessments levied in the District shall be credited to the Guaranty Fund. Amounts in the

Guaranty Fund shall be used to pay principal and interest on the Bonds when other funds are not available for that purpose.

Section 16 – Amendatory and Supplemental Ordinances.

(a) The Council from time to time and at any time may adopt an Ordinance or Ordinances supplemental hereto, which Ordinance or Ordinances thereafter shall become a part of this Ordinance, for any one or more of the following purposes:

(1) To add to the covenants and agreements of the City in this Ordinance, other covenants and agreements thereafter to be observed, or to surrender any right or power herein reserved to or conferred upon the City.

(2) To make such provisions for the purpose of curing any ambiguities or of curing, correcting or supplementing any defective provision contained in this Ordinance or in regard to matters or questions arising under this Ordinance as the Council may deem necessary or desirable and not inconsistent with this Ordinance and which shall not adversely affect the interests of the Registered Owner of the Bond.

Any such supplemental Ordinance may be adopted without the consent of the Registered Owner of the Bond, notwithstanding any of the provisions of subsection (b) of this section.

(b) With the consent of the Registered Owners of not less than 60 percent in aggregate principal amount of the Bond at the time outstanding, the Council may adopt an Ordinance or Ordinances supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Ordinance or of any supplemental Ordinance; provided, however, that no such supplemental Ordinance shall:

(1) Extend the due date of any principal installment payable under the Bond, or reduce the rate of interest thereon, or extend the time of payments of interest from their due date, or reduce the amount of the principal thereof, or reduce any premium payable on the redemption thereof, without the consent of the Registered Owners of all of the Bond so affected; or

(2) Reduce the aforesaid percentage of Registered Owners of the Bond required to approve any such supplemental Ordinance without the consent of the Registered Owners of all of the Bond then outstanding.

(3) Remove the pledge and lien of this Ordinance on assessments to be levied against the real property in the District, and funds pledged for the payment of the Bond under this Ordinance.

It shall not be necessary for the consent of the Registered Owner of the Bond under this subsection (b) to approve the particular form of any proposed supplemental Ordinance, but it shall be sufficient if such consent shall approve the substance thereof.

(c) Upon the adoption of any supplemental Ordinance pursuant to the provisions of this section, this Ordinance shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Ordinance of the City and the Registered Owner of the Bond shall thereafter be determined, exercised and enforced thereunder, subject in all respects to such modification and amendment, and all the terms and conditions of any such supplemental Ordinance shall be deemed to be part of the terms and conditions of this Ordinance for any and all purposes.

(d) Any Bond executed and delivered after the adoption of any supplemental Ordinance pursuant to this section may bear a notation as to any matter provided for in the supplemental Ordinance, and if the supplemental Ordinance shall so provide, a new Bond so modified as to conform, in the opinion of the Council, to any modification of this Ordinance contained in any such supplemental Ordinance may be prepared by the City and delivered without cost to the Registered Owner of the Bond then outstanding, upon surrender for cancellation of such Bond in an equal aggregate principal amount.

Section 17 – Sale of Bond; Loan Agreement. The Bond shall be sold at negotiated sale to the Lender as provided in the Loan Agreement. The City Manager is hereby authorized to execute the Loan Agreement, in substantially the form presented at this meeting, but with such changes, modifications, additions and deletions therein as he shall deem necessary, desirable or appropriate, the execution thereof to constitute conclusive evidence of approval of any and all changes, modifications, additions or deletions therein from the form and content of said document
