Mr. Wrede commented on the review process conducted by staff and the proposal was found to be completed with the exception of a project timeline or development plan. Mr. Wrede further stated that the information Mr. Flanagan omitted from the proposal he did provide in his statement under Public Comment. There was no information provided on employees/future employment opportunity and spin off either in the proposal.

Chair Yager inquired if Mr. Flanagan would like to address those items now for the committee.

Mr. Flanagan provided information on 600 tons of equipment, winter projects, freight hauling in amounts of 200 tons or more; and that there appears to be more satellite business available. Currently he has no plans for expanding his employees which number 1 on the beach and 4 in the boat. Mr. Flanagan stated his biggest concern is safety for the pedestrians and civilians that bypass the area on a daily basis; he also noted that the Harbormaster has a better view on that parcel in regards to security. He sees the possibility of growth in the business industry. Mr. Flanagan described how he will install the culverts.

A brief discussion on a drain line, contaminant issues, installation of a system to deal with oil, using money from the proposed lease to defer that cost; a system installed out East End Road by Mr. Flanagan for a cost of approximately \$10,000. Chair Yager asked for a recap on the basis for agreeing to \$0.50 per square foot lease rate instead of the \$0.60. Mr. Flanagan cited the costs he will incur in leasing this portion of a parcel was the

Chair Yager questioned the amount of improvements proposed by Fortune Sea, LLC and using those as a comparison to what Mr. Flanagan proposes. He expressed concern regarding a precedent being set.

Mr. Wrede offered one alternative to deduct the money paid on improvements and that the city has accepted work for rent in the past.

Mr. Flanagan cited that he is proposing to rent land that currently is not usable and making it usable.

Mr. Zimmerman expressed concerns over what the Lease Policy states in regard to the appraisal.
