

Google Designates Homer as Alaska's eCity for the Second Year in a Row

Press release date: 2013-08-27

The City of Homer is proud to have been named Google's 2014 eCity for the State of Alaska. According to the Google press release, "The eCity Awards recognize the strongest online business communities in all fifty states. The businesses in these communities are embracing the web to find new customers, connect with existing clients and fuel their local economies. Homer joins the ranks of America's leading cities in the digital economy."
