

## **AK-CESCL Storm Water Training Program will be held in Homer**

When: February 12-13, 2014

Where: Islands and Oceans Visitor Center

The course will describe the key elements of a Stormwater Pollution Prevention Plan (SWPPP) and provide detailed instructions on how to maintain a SWPPP and select, install and maintain stormwater Best Management Practices (BMPs). Certification is valid for three years and it satisfies the current Construction General Permit requirement for qualified storm water inspectors. The course can also count as 16 Professional Development Hours (PDH) for the renewal of a professional license.
