Preschool storytime is a fun early literacy program for kids ages 3-5 and their caregivers. Siblings are welcome!

Join us for an hour of interactive stories, songs, rhymes, games, and accompanying activities perfect for preschoolers. The early literacy practices featured each week help build the foundation for a lifelong love of learning.

For parents and caregivers, storytime offers an opportunity to experience early literacy practices in action, to discover great books, music, and digital media great for sharing with children at home, and to socialize with other parents after storytime.

For the months of February and March, storytime is offered on Fridays at the McNeil Fire Hall as part of a special Outreach Program. (Storytimes continue to be offered at the library also.)

If you have questions about storytime, early literacy, or our other children's programs, please [contact library staff](#).
