

Tsunami Marine Debris Update Lecture

Event Title: Tsunami Marine Debris Update Lecture

Date/Time: Thu, Mar 6th 6:00pm

Location: Homer Public Library

Thursday, March 6, 6:00 pm

Presented by the Center for Alaskan Coastal Studies

Marine Debris Program Coordinator for the Center for Alaskan Coastal Studies, Loretta Brown, overviews the Marine Debris cleanups and coastal monitoring conducted annually by CACS in Kachemak Bay.

Learn more about the marine debris collected from Alaskan shorelines from the Tohoku Tsunami that devastated Japan in March 2011 and the impact that it has had on Alaskan ecosystems.
