

Volunteer at the Library

We depend on our dedicated volunteers! Each week hundreds of books are shelved, mended and made available to the public thanks in part to the hard work of people who donate their time and skills to assure its success.

If you're interested in becoming a volunteer you can click on the link below to access our volunteer application. If you have further questions please call our volunteer coordinator at (907) 435-3165.

The volunteer coordinator will then call to set up a time for an interview. Your training and schedule will be determined by the opportunities currently available within the library as well as your personal interests.
