

# Non-Fish Wharfage Report

The Fish Dock is to be used primarily for the loading and unloading of fish, fish products and fishing gear. Any other use must be approved in advance by the Harbormaster. Failure to obtain prior approval for a use other than loading and unloading fish, fish products or fishing gear will result in the imposition of a surcharge in addition to the regular fee.

Please fill out the following form and return to the Port & Harbor Office either in-person, by faxing, or mailing. Charges are based on the current Tariff fees.
