

Memorandum 08-134
9 22 08

To City of Homer Clerk
From James C. Hornaday

This will serve to advise I am withdrawing my resignation as Mayor of the City of Homer, Alaska and will participate in the Mayor Election. If the citizens of Homer elect me, I will serve an additional two year term as Mayor. I would not want to cause the stress and expense to the citizens of a special Mayor Election. Because of a prior commitment to a college class, I would request an excused absence from the meetings tonight.

Thank you, James C. Hornaday
