MEMORANDUM

09-131

TO: WALT WREDE, CITY MANAGER
FROM: BRYAN HAWKINS, PORT DIRECTOR/HARBORMASTER 
DATE: SEPTEMBER 23, 2009
RE: REPAIR TO THE FISHING LAGOON HANDICAP ACCESS

The handicap access walkway to the Fish Lagoon was undercut last winter during a series of high tides that coincided with strong north east winds. Unless repairs are made to protect against further undercutting due to high tide storm damage, we believe there will be permanent damage.

Staff will continue looking for grant monies to address the other needs at our Lagoon. However, we feel the handicap access ramp issue must be addressed before the winter season. Staff has consulted with the DOT engineers that designed the facility and also with Fish and Game and developed a strategy to address the repair needs.
