MEMORANDUM 09-99

DATE: July 22, 2009
TO: City Manager Walt Wrede
FROM: Chief Mark Robl
SUBJECT: Special Services Contract

We have had a special services contract with the Alaska Department of Public Safety for several years. The contract requires us to provide some support services to the local troopers, transport and security services for some of their arrests as described.

The state proposes to renew this contract for six months. I intend to re-negotiate this contract with them prior to the end of the contract this December. I request that we obtain Council approval to renew this contract as proposed.
