

CITY OF HOMER
HOMER, ALASKA

RESOLUTION 87-36
(ADDENDA)

A RESOLUTION OF THE HOMER CITY COUNCIL FINDING AP#179-040-03, OF THE EAST HILL ROAD SEWER ASSESSMENT DISTRICT TO BENEFIT FROM IMPROVEMENT AND CONFIRMING AP#179-040-03, BELONGING TO JOHN & JERI MCLEAN AS PART OF THE EAST HILL ROAD ASSESSMENT ROLL.

WHEREAS, at the Public Hearing of May 11, 1987 on the East Hill Road Sewer Assessment Roll, John McLean (AP#179-040-03) verbally contested his assessment based on his belief that he would not benefit from the sewer improvement because his home was on the opposite side of a major drainage course; and

WHEREAS, the Department of Public Works has researched the parcel in question and found (via Memorandum 87-108) that since the property is abutting the sewer main, it should therefore be included in the district as a "direct benefactor";

NOW, THEREFORE, BE IT RESOLVED by the Homer City Council that AP#179-040-30, listed to John & Jeri McLean is hereby left on the assessment roll as confirmed by the Homer City Council at their regular meeting of May 11, 1987;

BE IT FURTHER RESOLVED, that this addenda is hereby added as part of Resolution 87-36 which confirms the assessment roll, establishes payment of special assessment, penalty and interest for the East Hill Road Sewer Improvement Area.

Passed and Approved this 8th day of June, 1987 at Homer, Alaska.

CITY OF HOMER

ATTEST:

John P. Calhoun, Mayor

Patti J. Whalen, City Clerk
