

STEAM-y Storytimes

Storytime is a fun time for preschoolers and caregivers to hear stories, sing together, and create theme-related crafts. Traditionally the focus has been on early literacy, preparing kids to read and inspiring the lifelong learner in each of them.

This summer, we'll be adding a new twist! Inspired by the National Initiative [STEM](#), we'll be incorporating **Science**, **Technology**, **Engineering**, **Art**, and **Math** into the mix. Each storytime will focus on a particular theme, include great stories, songs, and rhymes, and feature engaging activities, crafts, and experiments that introduce STEAM concepts and kids will love.

These storytimes are recommended for kids 3+.

STEAM-y Storytimes will be held on Wednesdays May 29-July 31,
from 10-11am and are free.

Location: HPL's Children's Library

Date	Storytime Theme
May 29	Things That Go!
June 5	Under the Sea, Matey!
June 12	We all Dig Dinosaurs!
June 19	Plants: How Does Your Garden Grow?
June 26	Let's Mix it Up with Colors!
July 3	Independence Day!
July 10	Digging Up Trouble with Trickster Tales!
July 17	Creepy Crawly Bugs!
July 24	Under Construction!
July 31	What's Under Our Feet? Rocks and Caves!

For more information about STEAM-y Storytimes or Summer@HPL, the summer reading program for all ages, contact Claudia at the Homer Public Library. 235-3180 or chains@cityofhomer-ak.gov.
