

## EXPLORE Storytimes @ the Library!

Inspired by the National Initiative [STEM](#), EXPLORE Storytimes will incorporate both early literacy and STEAM; **S**cience, **T**echnology, **E**ngineering, **A**rt, and **M**ath. During each storytime we'll explore a particular theme, include great stories, songs, and rhymes, and feature engaging activities, theme-related crafts, and fun experiments that introduce STEAM concepts that kids will love. These storytimes are recommended for kids 3-7.

EXPLORE Storytimes  
will be held on Wednesdays May 28-July 30, from 10-11am and are free.  
Location: HPL's Children's Library
