

Commercial Cannabis Cultivation Map 1/25/2016

Legend

- City Limits
 - Buffers
 - Permitted
 - CUP
 - No Commercial Cannabis Businesses
- Cultivation**

Proposed state regulations call for buffers to be measured between the public entrance of the cannabis business, and the public entrances of churches and jails. Distances for schools and youth/rec centers are measured from the boundaries to the front door of the cannabis business. All distances are measured by the shortest pedestrian route.
