

CITY OF HOMER
HOMER, ALASKA

RESOLUTION 84-31

A RESOLUTION SUPPORTING THE NEED
FOR A STUDY OF THE HOMER SPIT
EROSION PROBLEM.

WHEREAS, the Homer Spit represents an important land mass for the City of Homer as well as the entire Kachemak Bay area due to the industries which are situated on the Homer Spit, and;

WHEREAS, the continuing erosion along the Homer Spit is significantly reducing the land mass and subsequently threatening the existing highway, and;

WHEREAS, application of the results of the Homer Spit Erosion Study can potentially be made to the bluff areas within the City of Homer limits which are also faced with significant erosion problems, which subsequently threatens existing residences,

NOW THEREFORE, BE IT RESOLVED by the Common Council of the City of Homer, Alaska, that they support the need for a study of the erosion problem on the Homer Spit and develop a permanent solution.

DATED at Homer, Alaska, this 23rd day of April, 1984.

CITY OF HOMER:

Erle Cooper, Mayor

ATTEST:

Kathleen Herold, City Clerk
