RESOLUTION 87-72

A RESOLUTION OF THE HOMER CITY COUNCIL ENCOURAGING THE BUILDING OF HOMES TO THE ENERGY EFFICIENCY STANDARDS OF THE ALASKA CRAFTSMAN HOME PROGRAM AND FURTHER SUPPORTING SENATE BILL 308 AND HOUSE BILLS 318 & 319 SUPPORTING THE ALASKA CRAFTSMAN HOME PROGRAM.

WHEREAS, high quality energy efficient building technology developed by the Alaska Craftsman Home Program would substantially reduce home energy consumption, improve the health and safety of the occupants, improve indoor air quality, reduce the contributions of dwellings to outdoor air pollution, increase home durability, reduce home maintenance needs, and increase the economic stability of the owner;

WHEREAS, Alaska state lawmakers have introduced legislation in the form of Senate Bill 308 and House Bill 318 and 319 that support the Alaska Craftsman Home Program; and that these bills will help improve and stimulate the home building industry in Alaska through incentives and education and thereby improve the local economy of the the City of Homer;

WHEREAS, the citizens of the City of Homer will benefit substantially from the building of energy efficient homes as developed by the Alaska Craftsman Home Program;

NOW, THEREFORE, BE IT RESOLVED that it is the policy of the City of Homer to encourage the building of homes to the energy efficiency standards of the Alaska Craftsman Home Program and further that the City of Homer supports Alaska State Senate Bill 308 and House Bill 318 and 319 to establish similar state policy and state support for the Alaska Craftsman Home Program.

Passed and Approved by the Homer City Council this 26th day of October, 1987 in Homer, Alaska.

CITY OF HOMER

John P. Calhoun, Mayor
