

CITY OF HOMER
HOMER, ALASKA

RESOLUTION 87-82

A RESOLUTION OF THE HOMER CITY COUNCIL
SUPPORTING THE INTEGRATED WASTEWATER SYSTEM FOR
HOMER AND KACHEMAK CITY AND REQUESTING STATE
AND FEDERAL FUNDING.

WHEREAS, the City of Homer is currently expanding its
wastewater treatment and outfall facilities and Kachemak City
does not now have municipal sewer service; and

WHEREAS, a single operating entity for wastewater
collection, transport, treatment and disposal has been determined
to be the most economical and environmentally sound solution for
all residents of Kachemak and Homer; and

WHEREAS, Homer and Kachemak have entered into a
Memorandum of Understanding dated September 14, 1987 for
construction of an integrated wastewater system serving both
communities; and

WHEREAS, in accordance with the City of Homer,
July, 1987 Wastewater Facility Plan, the project involves
construction of a new wastewater treatment facility and outfall
(including septage, RV waste and sludge handling facilities),
Spit collection and treatment, vacuum truck and Phase I of the
Kachemak City collection system at an estimated cost \$8,983,000;
and

WHEREAS, the combined efforts of Kachemak and Homer
acting jointly increases the political impact of lobbying for
funding and agency support for the proposed expansion of
wastewater improvements serving both communities; and

WHEREAS, Homer and Kachemak have incurred additional
local project cost of approximately \$3.3 million which is not
eligible to be included in the original \$8,983,000 construction
cost estimate.

NOW, THEREFORE, BE IT RESOLVED by the Homer City Council
that the \$8,983,000 construction cost is anticipated to be
eligible for a Federal EPA Construction Grant of \$4,491,500 with
the balance requested from the Alaska Department of Environmental
Conservation and legislative delegation representing Homer and
Kachemak City. The state funds are to be allocated with
\$1,074,000 for Kachemak City and \$3,417,000 for Homer.

BE IT FURTHER RESOLVED by the Homer City Council that the City Manager is hereby instructed to advise the Legislature and appropriate agencies of this request and to provide all necessary background information supporting this integrated wastewater system serving both communities.

DATED this 14th day of December, 1987 at Homer, Alaska.

CITY OF HOMER

John P. Calhoun, Mayor
