VISITORS

PENDING BUSINESS

- A. ADA Self-Evaluation and Transition Plan Update
- Attending Port Commission Meeting April 25th

The committee discussed availability to attend and present at the Port and Harbor Advisory Commission meeting on April 25th. Tess, Donna, and Pam would all be out of town and Linda was unable to confirm for that day. Melissa said she would see if there is availability to reschedule to the May 23rd commission meeting.

The committee agreed they'd prefer to use a power point presentation to highlight the areas in the Northwest ADA report, than to just use the report itself. Tess suggested taking some better photos and said she would be willing to be in the pictures to give better reference to the accessibility challenges identified in the report.

NEW BUSINESS

INFORMATIONAL ITEMS

A. KHLT Poopdeck Trail Improvements drawing

There was brief discussion about the improvements that are proposed for the trail including widened pathways, interpretive signage with braille, and location. Tess is involved with the committee that is working on the project and said it's been fun working with the company that bid on the project and to help people understand how a trail like this will benefit everyone.

COMMENTS OF THE AUDIENCE

COMMENTS OF STAFF

COMMENTS OF THE COMMITTEE

Linda and Tess commented regarding continued issues with being able to access the high school for events. There are only two parking spots in the front and the ramp to get to the front door is fairly steep, long, and difficult to maneuver, especially in the winter. There are three spaces in the back near the green room and loading dock, but those doors are kept locked, as they've been told, for safety reasons.

ADJOURN

There being no further business to come before the Committee the meeting adjourned at 3:30 p.m. The next regular meeting is scheduled for May 10, 2018 at 4:00 p.m. at the City Hall Conference Room located at 491 E. Pioneer Avenue, Homer, Alaska.
