## Memorandum

**TO:** UNIFORM SIGNAGE DESIGN COMMITTEE  
**FROM:** RENEE KRAUSE, CMC, DEPUTY CITY CLERK I  
**DATE:** JUNE 3, 2013  
**SUBJECT:** ESTABLISH A MEETING SCHEDULE AND LENGTH OF PROJECT

---

### BACKGROUND

Since this committee falls under the Public Arts Committee it will be beneficial to determine a regular meeting schedule based on how long the members of this committee wish to take to design an overall signage design.

Due to notice requirements I would recommend a minimum of every other week meeting schedule preferable would be twice per month or once per month. Meeting times can be during the working day or after 5:00 p.m. with the exception of Thursdays, those days are pretty booked up all this summer.

Please discuss and determine day and time most agreeable to the majority of the members present. Select alternate dates and times since the first chosen may be unavailable.

Currently the following is available:

Any Friday meeting time must be before 4:00 p.m.

The week of June 24<sup>th</sup> - Tuesday 6/24 @ 4:00 p.m. (or earlier) Thursday 6/27 @ 4:00 p.m. in Conference Room

The week of July 1<sup>st</sup> - Monday is available.

The week of July 8<sup>th</sup> - Tuesday, Wednesday, Friday

The week of July 15<sup>th</sup> - Monday, Tuesday, Wednesday, Friday

### RECOMMENDATION

**MAKE A MOTION TO HOLD MEETINGS ON THE DAY AND TIME AVAILABLE AND AGREED UPON BY THE COMMITTEE. STAFF WILL CONFIRM CHOICES THE FOLLOWING DAY.**

## Memorandum

**TO:** PUBLIC ARTS COMMITTEE/PARKS AND RECREATION  
ADVISORY COMMISSION

**FROM:** RENEE KRAUSE, CMC, DEPUTY CITY CLERK I

**DATE:** JUNE 3, 2013

**SUBJECT:** SIGNAGE - SIZE, SHAPE, AND CONTENT

---

### BACKGROUND

Uniform signage has been an item on the Strategic Plan of the Parks and Recreation Advisory Commission and the Public Arts Committee for a number of years. Council has approved the requests for funding of uniform signage in the Public Works/Parks Budget, PAC Budget and the Commission's Budget.

Public Arts	156-367	\$2000
Parks/Cemetery/Recreation	100-175-5210	\$1000

According to the Adopted Budget the above reflects the amount appropriated for design, manufacture and installation of signage for the parks, trails, beaches, campgrounds and other appropriate recreational areas in Homer. This may not be an adequate amount depending on the approved design and cost of manufacturing the signs but it is a good start.

Commissioner Deb Lowney with the Parks and Recreation Advisory Commission is the appointed liaison for this project. No one member of the committee was appointed by the Public Arts Committee. Currently this is a project of the Public Arts Committee. Angie Otteson, Parks Maintenance will be working with the Committee and Commissioner Lowney on this project. When appropriate I will invite Dotti Harness-Foster to attend regarding the Sign Code in relationship to sign size and placement.

First things First I have included some pictures of signs with different ideas to get the group started.

### RECOMMENDATION

INFORMATIONAL IN NATURE. NO ACTION REQUIRED.
