

City of Homer  
Request for Proposals  
Incorporation of Art into the Newly Renovated and Expanded  
City of Homer Fire Station and the New Ramp 2 Restroom Project

**PLAN HOLDER'S LIST**

Proposals to provide art or to incorporate art into the newly renovated Homer Fire Station and the new Ramp 2 Restroom Project on the Homer Spit adjacent to the new Boathouse Public shelter will be received at the Office of the City Clerk, City Hall, City of Homer, 491 East Pioneer Avenue, Homer, Alaska, until 4:30 P.M., Thursday, June 21, 2018. The intent of this proposal effort is to provide an opportunity for artists and other interested persons to present ideas on how and what art can be incorporated into/onto the building (interior and exterior), and/or the surrounding site for each location. The proposals will be evaluated by the Art Selection Committee utilizing the City's 1% for Art Funding designated for these projects. All ideas and concepts will be considered. Expect that more than one art piece or idea will be funded with the available dollars.

A non-mandatory project site visit for the Ramp Two Restroom Project will be held on Thursday, June 7, 2018 at 10:00 a.m. to physically view the location. Proposers interested in attending are directed to meet at the Boathouse Pavilion located between the Salty Dawg Saloon and Coal Point Trading Co. in the vicinity of Ramp Two on the Homer Spit.
