

My name is Joni Wise, and I am running for City Council in Homer. Having lived here for over 29 years, I have seen the city develop and enjoyed many of its offerings. I have worked at Homer Middle School and West Homer Elementary, but currently work part-time as an ICWA worker at SVT, as well as a contract Guardian Ad Litem for the State of Alaska. Alongside this, I have served at my church youth group and I'm a board member of Water's Edge. With the financial situation of many families less secure, I know the importance of making sure government money is not wasted. With my nine years of financial management experience with Wise Electric, I will work to make sure this is respected. I believe our best days are still ahead of us if we use our resources properly. I will work to improve business opportunities and help bring jobs for our citizens and revenues to our tax base. With my past experiences, I am certain I can bring unique approaches to enhancing education, decreasing property taxes, and creating jobs. Vote Joni Wise on October 3rd for a better, less restrictive Homer.
