

Section B

Leased Lands

These lands are under lease. Leases are based on a current market appraisal provided by a professional appraiser. The Kenai Peninsula Borough tax assessment is given as information only. It is not the basis for lease negotiations or fees. The KPB tax assessor takes into account the duration of the lease. Therefore, when a lease is expiring, the value of the land to the tenant goes down. On leased land, the KPB assessor is NOT showing market value of the land; they use a different measure to create a taxable land value. The tenant pays property tax to the City and Borough. See the Lease Policy Manual for further information. Individual lease files contain information on rents and formal agreements.
