February 19, 2021

Dear Homer City Council Members,

I am writing to urge you to prioritize a sidewalk on Main Street.

I lived on Main Street for over 35 years and have seen the traffic increase immensely. It is used by a wide variety of vehicles, as well as pedestrians, from kids to moms with strollers and old people with canes and wheelchairs. With the addition of assisted living and new apartments, use has increased.

People walking home in the dark after the movie lets out or after the bar closes pose a safety hazard.

The two foot wide combination bike and pedestrian path on the east side is not adequate to handle the traffic and creates a safety problem between bicycles and pedestrians.

Main Street is steep enough that water runs down it faster than it can run into the ditch. Curb and gutter may help.

Snow removal needs to be considered, too. There is a guard rail in places on the east side and the road gets narrower at times in the winter with snow build up.

In conclusion, a sidewalk with curb and gutter on Main Street is vital and way past due.

Thank you for your time.

Sincerely,

Peter Roedl

Please vote in favor of Resolution 21-018 which supports the Friends of Homer Library application to the National Park Service Alaska Rivers, Trails and Conservation Assistance Program. We hope to begin the process of creating a community space for more library activities and public enjoyment. The grant will provide us with conservation and recreation planning professionals who will assist us in formalizing our vision for the Homer Library's Western Lot. We have many partners who are committed to help us develop passive and active program components about the cultural and natural history of Homer and Kachemak Bay, build on connecting trails within Homer, and conserve the wetlands on our property. These partners include Kachemak Heritage Land Trust, Ninilchik Traditional Council, Port Graham Village Council, Pratt Museum, and Center for Alaskan Coastal Studies. Your support is critical, given that the land is city owned. Thank you for your consideration.

18 February 2021

Dear Mayor Castner, Council Members and City of Homer,

On behalf of Kachemak Bay Family Planning Clinic (KBFP) and the R.E.C. Room (a Youth Resource & Enrichment Co-op), I want to thank the City of Homer for its support of area non-profits. In 2020 KBFP received a Homer Foundation—City of Homer grant for \$5,700 which provided valuable general operating support. In addition, I thank the Homer Foundation for administering this important program.

The City of Homer grant brings more money into our community by providing important “match” funds that help our organization leverage resources from other funders. As part of our operating expenses, this grant supports good, year-round local jobs at the Clinic and the R.E.C Room. It also helps us keep our promise to provide accessible reproductive health services to all people in our community, regardless of their ability to pay. It was even more important in this incredibly difficult year of Covid and implementing pandemic protocols throughout our program.

Thanks to this grant and other generous support from our community, we provided screenings for breast and cervical cancer, birth control consultation and supplies, infertility and preconception counseling, pregnancy testing, and STD/STI testing and treatment for over 600 men and women in 2020. Each year we provide over 15,000 free condoms to the greater Homer community through our Clinic and outreach events. These services empower people of all genders and sexualities to make informed choices about their health and their relationships.

Teens in Homer know the R.E.C Room as a safe and welcoming place to meet with friends after school in person or online this year and get connected with other local resources. Over 900 young people participated in our youth education programs and positive afterschool activities, including school-based, peer-led health education, in 10 area schools (three schools in the City).

Community commitment and support make our work possible. Our thanks, again, to the City of Homer, the Homer Foundation, and all our community partners who support KBFP to serve as a trusted source of up-to-date, accurate and affordable reproductive health care and education since 1983.

Sincerely,

A handwritten signature in black ink that reads "Amy Woodruff".

Subject: Ord 21-14 special meeting to seat council members

I oppose Ord 21-14 and suggest that if the sponsors will agree, it should not be introduced. It wasn't that long ago that the council voted to seat members at the regular meeting following certification of the election. The borough assembly follows a similar procedure. A regular meeting is a better time to celebrate the service of outgoing members and welcome new members, sometimes with a break for cake. The public is more likely to attend, if not for cake, because they are interested in other matters on the agenda. A mid afternoon special meeting is rarely convenient for council members or the public and adds administrative duties to city staff. Certifying an election is not a disruption to a meeting, but a very important duty of the council. It is better done at a regular meeting where more public are likely to be present and when the meeting is broadcast on KBBI for those listening at home. Special meetings are rarely broadcast. The time commitment of being a city council member is already a deterrent for many working stiffs. The fewer special meetings during the normal work day, the better for everyone. Please continue to certify elections and recognize outgoing and incoming council members at a regular meeting.

Memorandum

TO: MAYOR CASTNER AND HOMER CITY COUNCIL
FROM: MELISSA JACOBSEN, MMC, CITY CLERK
DATE: FEBRUARY 22, 2021
SUBJECT: ORDINANCE 21-14 ELECTION CERTIFICATION

Issue:

After publication of this Council packet I received questions regarding prior changes to code regarding election certification.

Background:

Ordinance 21-14 proposes to amend City Code so that certification of regular election results takes place at a Special Meeting prior to Committee of the Whole and the Regular Meeting following the completion of canvass by the Election Board.

Ordinance 21-14 mirrors Ordinance 19-55.

When Ordinance 19-55 came before council in 2019/2020, Ordinance 19-55(S) was substituted.

Ordinance 19-55(S) addressed HCC 2.08.030(c) which is current code language regarding when a person elected takes office.

Neither 19-55 nor 19-55(S) were adopted.

Process note:

If Ordinance 21-14 is introduced, the language in HCC 2.08.030(c) will need to be addressed so that it will be consistent with changes proposed to election certification.

Recommendation: This is an informational memorandum.

**KENAI PENINSULA BOROUGH
RESOLUTION 2021-015**

**A RESOLUTION ENCOURAGING ALASKA REPRESENTATIVES AND GOVERNOR
DUNLEAVY TO FULLY FUND THE STATE’S BUDGET FOR ABANDONED
VEHICLE REMOVAL WITHIN THE KENAI PENINSULA BOROUGH**

WHEREAS, on January 7, 2020, the Kenai Peninsula Borough Assembly passed Ordinance 2019-39 repealing Chapter 12.06, abandoned vehicles, and enacting Chapter 12.08, Junk and Abandoned Vehicles; and

WHEREAS, this new chapter is a KPB code update to specifically address junk and abandoned vehicles left along borough rights-of-way; and

WHEREAS, for some time the borough has struggled with junk and abandoned vehicles being left within rights-of-way rather than being brought to the borough-owned landfill or one of several other locations that accepts vehicles free of charge; and

WHEREAS, the abundance of junk and abandoned vehicles on the Kenai Peninsula has created a public nuisance, impeded road maintenance and caused significant road hazards, especially during the winter months; and

WHEREAS, abandoned vehicles attract vandalism, are used for drug drops, accumulate trash and debris (including human feces and drug paraphernalia), and sometimes become shelters for drug users and/or homeless individuals; and

WHEREAS, abandoned and junk vehicles contain hazardous substances like fuel, coolant, and other fluids that often leak onto the right-of-way and into the water table, polluting the surrounding environment causing risk to the health and safety of people and animals; and

WHEREAS, the entire State of Alaska, including the Kenai Peninsula Borough, benefits significantly from visitors and the tourism industry; and

WHEREAS, first impressions should be positive, showcasing Alaska’s pristine beauty; not visuals of junk and abandoned vehicles with missing tires, broken windows, and torched interiors littered along our highways; and

WHEREAS, since passage of Ordinance 2019-39 the Kenai Peninsula Borough has successfully towed approximately 28 vehicles to date resulting in 16 citations issued for

abandoned vehicle infractions, with approximately \$1,370 collected to date from vehicle owners; and

WHEREAS, Kenai Peninsula Borough's efforts are paying off with a noticeable decrease in the number of junk and abandoned vehicles being left in Borough rights-of-way; and

WHEREAS, even with this reduction in junk and abandoned vehicles on Borough maintained roadways, the problem still exists with the number of junk and abandoned vehicles along the State maintained highways visibly increasing; and

WHEREAS, Alaska Statute 28.11.010 states that it is unlawful for a person to abandon a vehicle upon a highway or vehicular way or area; and

WHEREAS, despite having laws making it unlawful, the State of Alaska has not adequately funded enforcement of AS 28.11.010 in several years allowing junk and abandoned vehicles to remain alongside state highways on the Kenai Peninsula despite the strong efforts of Borough and cities to clean up such nuisances; and

WHEREAS, the State has the ability to recover its fees and costs by issuing citations to vehicle owners and by collecting against the Permanent Fund Dividend of owners for the costs incurred in towing and temporarily storing abandoned and junk vehicles left along the state highways; and

WHEREAS, only when both the State and the Boroughs work together to address this serious problem of junk and abandoned vehicles along our roadways will it finally be properly addressed;

NOW, THEREFORE, BE IT RESOLVED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH:

SECTION 1 That the Kenai Peninsula Borough Assembly hereby urges our Kenai Peninsula State Representatives and Governor Dunleavy to recognize the importance of enforcing its abandoned and junk vehicle laws in order to protect the citizens and visitors of Alaska from dangerous hazards and unsightly nuisances created by abandoned vehicles left in our State rights-of-way.

SECTION 2. That the Kenai Peninsula Borough Assembly Requests Governor Dunleavy's support in providing budget funding for enforcement against junk and abandoned vehicles.

SECTION 3. That the Kenai Peninsula Borough Assembly requests our State Legislature provide budget funding for enforcement against junk and abandoned vehicles.

SECTION 4. That a copy of this resolution be sent to all Kenai Peninsula City Councils for the cities located along state highways, Senator Peter Micciche, Senator Gary Stevens, Representative Ben Carpenter, Representative Sarah Vance, Representative Ronald Gillham, Representative Louise Stutes, and Governor Mike Dunleavy.

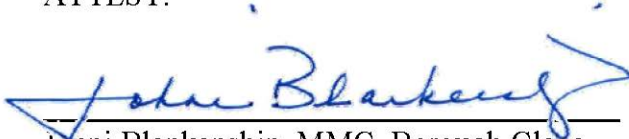

SECTION 5. That this resolution shall become effective immediately upon its adoption.
