Memorandum

ITEM TYPE: Amendment to Minutes
 TO: Mayor & City Council
 THROUGH: City Clerk
 FROM: Jason Davis
 DATE: April 8, 2023
 SUBJECT: Amendment to Unapproved 3/38/23 Minutes

Proposed Amendment:

Replace this sentence: *“She reviewed the proposal that was included in the packet noting the purpose of each breakdown in costs to test HERC 2 and do a sampling in HERC 1”* with the following (new language in bold):

*“She reviewed the proposal that was included in the packet noting **that since less than \$10,000 of the \$45,000 being requested would go to the consultant to cover his labor, with most of the remainder going to laboratory services, the procurement was not even large enough to require City Council approval.**”*

Note: The sentence that would be replaced is the 3rd sentence in the 3rd paragraph of page 13 of the 4/10/23 packet.

Background

During the 3/28/23 city council meeting discussion on testing at the HERC, a comment was made that seemed to suggest that in determining whether a procurement meets the \$10,000 threshold that requires council approval per HCC 3.16.010, city staff need only consider the amount that is going directly to the primary contractor, without including additional amounts that would go to subcontractors or other entities (shippers, hotels, restaurants, etc).

After the meeting was over, several people reached out by phone or came up to me in person to argue that this interpretation of code did not appear to be correct.

Whether or not that is the case, the fact that the comment was provided as part of a discussion on whether or not to employ a competitive bidding process for this procurement seems significant enough to warrant its inclusion in the official minutes of that discussion.

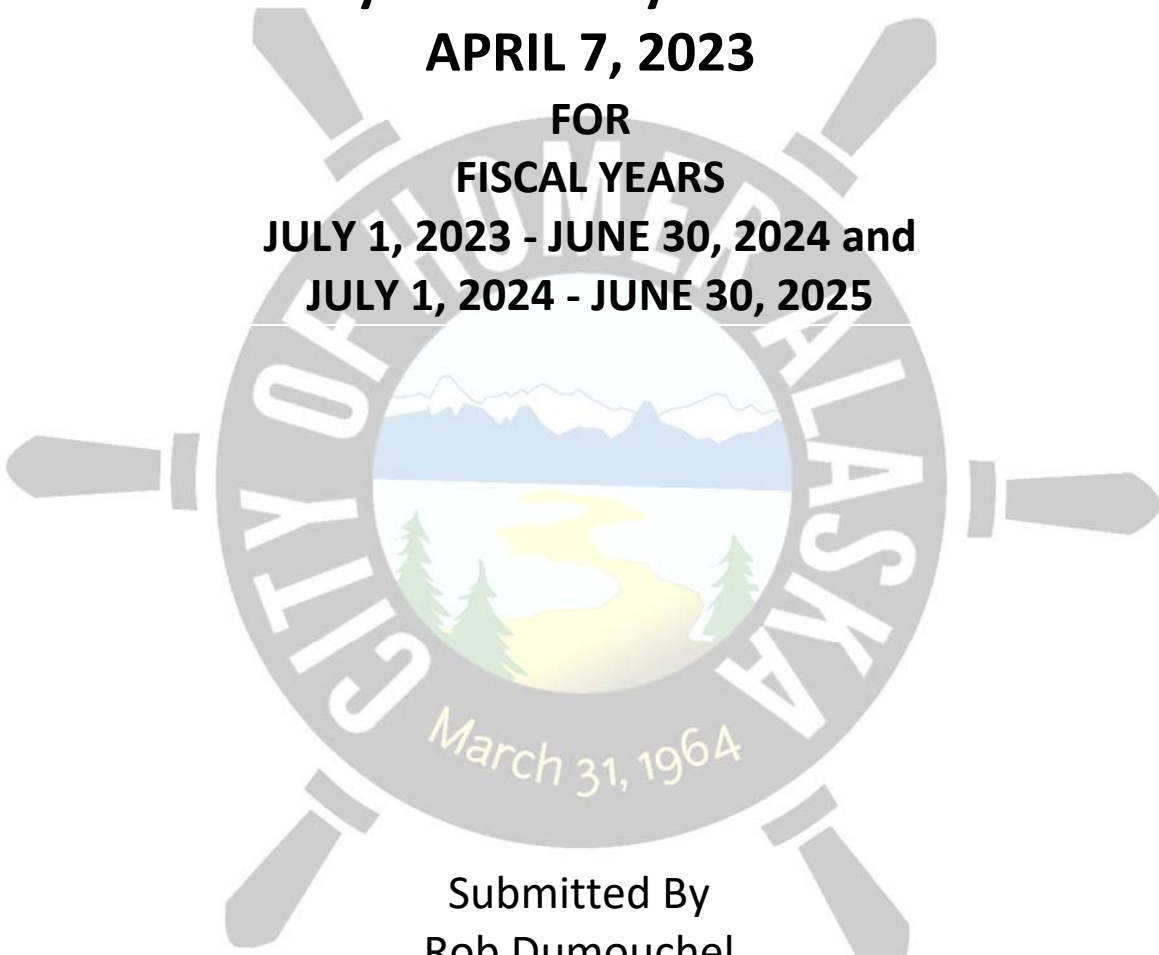

Here is an excerpt from the transcript/recording on the city's website, which may be helpful in assessing whether the summary in the proposed amendment to the minutes is accurate and appropriate:

“The total proposal that they submitted was for \$37,312; of that \$25,905 is for the actual laboratory services. That money does not go to the consultant who will be taking the samples. It goes to the laboratory to do the tests and the shipping, to get the samples to the lab. The consultant would earn approximately \$9,940 in labor, so by the procurement manual, HCC 3.16.010, we wouldn't even be required to bring a contract under \$10,000 to the City Council for approval. 69% of the proposed cost for the HERC 2 building is for laboratory testing. Now, I added on a few extra thousands to do some samples in HERC 1. Not a complete testing plan, but just some samples to see if we had some concern there, and that's why the price that I'm asking for is 45,000...”

FY24/25 Budget Notes:

5101/5102 - FY23 budget included funding for two full time special projects coordinators; FY24/25 budget has one full time coordinator and other full time position is split into two part time positions (one coordinator and one planning technician coded to Planning budget); 50% of special projects communications coordinator is coded to Port-Administration budget
5103/5104 - move full time to part time; allow for additional part time support
5206 - increased to account for inflation and increased use of line item for hospitality related to lobbying, public engagement, etc.
5210 - Formerly included funding for Chamber of Commerce which will be moved to non-departmental budget; increasing the amount available for CM office
5215/5235/5635 - increased to account for the growth of the City Manager office
5236/5237/5603 - expanded team; combined all travel expenses connected with employee training into one account code to be consistent with budget account descriptions
5248 - increased to allow for additional travel costs related to lobbying efforts
5604 - Public education rolled into advertising (5227)

FY24/25 Budget Notes:

5101/5102 - 1.5 finance FTEs (split 50/50 between water admin and sewer admin)

5216 - moved utility billing related postage expenses to utility fund (split 50/50 between water admin and sewer admin)

5236/5237/5603 - CDL training; combined all travel expenses connected with employee training into one account code to be consistent with budget account descriptions

FY24/25 Budget Notes:

5101/5102 - 50% of special projects communications coordinator has been moved from General Fund - City Manager budget
5103/5104 - new seasonal admin position
5236/5237/5603 - increased training; combined all travel expenses connected with employee training into one account code to be consistent with budget account descriptions
5248 - increased to allow for additional travel costs related to lobbying efforts
5252 - increased costs due to taking on more pay kiosks and campgrounds

The Homer Chamber of Commerce & Visitor Center, has been partnering with the City of Homer for over 10 years to conduct tourism marketing and economic development support under 3-year Marketing Agreements. The annual amount of that agreement was \$51,000 which has been the same amount since 2017. The current agreement ended after last year.

If that \$51,000 was just adjusted for inflation, the current value would be at least \$63,200.

Annually the Chamber spends around \$222,000 on marketing efforts. We do receive some ad revenue from Visitor Guide ads and ads on our website, which brings the net marketing expenditures to around \$167,700.

That figure does not include any payroll for full-time or part-time staff.

We also manage 4 Visitor Centers for the city to help visitors and residents plan activities and connect with our business members. They are mainly staffed with an incredible group of volunteers but we also bring in paid part-time seasonal staff to cover weekends at the main center and we are now trying to keep our Spit Shack open during the summer season. That part-time staffing costs around \$13,000 a season.

In addition to the marketing we do for the city, the Chamber also puts on a number of community-focused events designed to bring out more engagement of our residents and add to the quality of life experiences, especially for our younger aged population.

The Chamber is requesting an increase in this year's annual Marketing allotment to at least \$75,000 so we can continue to provide a similar level of marketing that we've been able to provide in the past and allow us to host the popular community events. We believe the sales tax revenue generated by increased visitor stays should more than offset this additional expense.

We try hard to keep up our level of marketing to stay competitive with our other Alaska Tourist Destinations. However, unlike all those other cities, Homer does not have a bed tax type of funding option to use for tourism marketing. So this has put that burden back on the City and Chamber to raise the dollars needed to promote Homer.

Our 2023 budget was forecasting a \$23,000 net profit but our smaller Winter King Tournament event is projected to bring in about \$40,000 less than planned, so now we're now facing about a \$17,000 loss for the year. It is becoming increasingly difficult to subsidize the \$167,700 balance of the marketing budget with the Chamber's fundraising activities which can fluctuate.

Thank you in advance for your consideration of the increased funding request.

Friday, April 7, 2023

Dear Members of the City Council:

Please adopt the following amendments to the following resolutions regarding the Homer Harbor expansion process.

Resolution 23-038, A Resolution of the City Council of Homer, Alaska Establishing a Harbor Expansion Study Communications Committee and Establishing the Scope of Work and Committee Make-Up. Erickson.

Whereas, the impacts of an expansion of the Homer Harbor extends beyond the Harbor area itself,

Whereas, environmental, social, and economic costs and benefits of a harbor expansion are essential components of the General Investigation,

Whereas, the City of Homer is "expected to contribute knowledge and perspectives on local conditions, agencies' and public views, the environmental setting, potential solutions to the water resources problem(s), and other information...The PDT, including the non-Federal partner(s), works closely with other Federal, State, Tribal, and local government agencies, businesses, interest groups, homeowners, and other members of the public."

Whereas, public engagement and outreach is an essential to effective scoping;

Therefore, the Harbor Expansion Study Communications Committee includes representatives from the Planning Commission, Parks and Recreation Advisory Commission, and the Economic Development Advisory Commission.

Therefore, the Harbor Expansion Study Communications Committee includes public stakeholders in tourism, environment, housing, climate adaptation, sport and commercial fishing, birdwatching, representatives from the City of Seldovia, Seldovia Village Tribe, and youth stakeholder.

Therefore, every public communication that talks about expansion alternatives will include the No Action Alternative.

Resolution 23-036, A Resolution of the City Council of Homer, Alaska Directing the Port and Harbor Advisory Commission for Research and Reporting during the

Kachemak Bay Conservation Society
3734 Ben Walters Ln, Homer, AK 99603
907 235.8214
kbayconservation@gmail.com

process of the Harbor Expansion General Investigation Study and Float Replacement Projects. Erickson/Venuti.

Whereas, the impacts of an expansion of the Homer Harbor extends well beyond the Harbor area itself,

Whereas, environmental, social, and economic costs and benefits of an expansion are a central part of the General Investigation,

Whereas, the City of Homer is “expected to contribute knowledge and perspectives on local conditions, agencies’ and public views, the environmental setting, potential solutions to the water resources problem(s), and other information...The PDT, including the non-Federal partner(s), works closely with other Federal, State, Tribal, and local government agencies, businesses, interest groups, homeowners, and other members of the public.”

Whereas public engagement and outreach is an essential to effective scoping;

Under the “NOW, THEREFORE, BE IT RESOLVED by the Homer City Council directs the Port and Harbor Advisory Commission,” please add:

The Parks and Recreation Advisory Commission, the Economic Development Advisory Commission, and the Planning Commission

Please add the following categories to the clause that states “The following subjects are allowed but not limited to:”

- Environmental Impacts
- Environmental Tourism and Charter Business
- Housing Needs
- Associated Infrastructure Needs
- Climate Adaptation
- Impact to Evacuation Plans
- Impacts to Kachemak State Park

Resolution 23-037, A Resolution of the City Council of Homer, Alaska Outlining the Expectation of the City Council for Community and Stakeholder Engagement within the Harbor Expansion General Investigation/Feasibility Study. Lord/ Aderhold/Davis.

Whereas, KBNERR’s 2010 assessment is not sufficient to cover the impacts of a larger project;

Kachemak Bay Conservation Society
3734 Ben Walters Ln, Homer, AK 99603
907 235.8214
kbayconservation@gmail.com

Whereas, environment, climate, and fisheries are an essential piece of the General Investigation,

Whereas the impacts of the Harbor Expansion extend beyond just the Harbor Area,

Whereas, a significant number of business in the Homer area rely on the health of Kachemak Bay,

Whereas, Kachemak Bay is a Critical Habitat Area, with a State Park; home of a National Estuarine Research Reserve, and are Designated International Western Hemisphere Shorebird Reserve Network Site,

Whereas, the City of Homer is "expected to contribute knowledge and perspectives on local conditions, agencies' and public views, the environmental setting, potential solutions to the water resources problem(s), and other information...The PDT, including the non-Federal partner(s), works closely with other Federal, State, Tribal, and local government agencies, businesses, interest groups, homeowners, and other members of the public."

Therefore, the City Council will ensure that the General Investigation/Feasibility Study process includes an Environmental Impact Statement (EIS).

Regarding point 2 (line 56)

The Council will adopt a vetting process for who is appointed to team;

The Council will ensure that the team is qualified to assess the scope of impacts of the project, including impacts to the environment, transportation, housing, business interests, associated infrastructure needs, land-based transportation needs, climate adaptation, evacuation plans, impacts to Kachemak State Park,

Therefore, environment, climate and fishies experts will be appointed to the Project Management Team/ Study leadership team, including representatives from KBNERR, UFWA, ADF&G, and NOAA.

Please amend your resolution to include clauses that:

Clarify the role of HDR

Clarify who is HDR's Point of Contact within the City and what exactly is process surrounding the exchange of information and direction between the two parties.

Clarify who on Project Management Team/ Study leadership team is doing public communications.

Kachemak Bay Conservation Society
3734 Ben Walters Ln, Homer, AK 99603
907 235.8214
kbayconservation@gmail.com

Regarding point 5 (ln 68).

Whereas the Council wants meaningful public input during the scoping phase,
Whereas, we need to have scoping meetings when the public is in town and available;

Therefore, there will be one scoping meeting in September and another in October.

Regarding point 7 (ln 75).

Whereas scoping is a critical period during with many decision points,
Whereas the Council needs to stay abreast of all changes, announcements and issues.

Therefore, During the critical (6 month) scoping phase, Council needs written updates every two weeks and in-person updates monthly.

Thank you for your consideration of these important details.

Sincerely,

Penelope Haas, Kachemak Bay Conservation Society

Homer City Council Members
Homer AK 99603

Dear City Council Members:

Thank you for moving forward with defining how the City will guide a public process investigating harbor expansion. It is important that Resolutions 23-038, 23-036, 23-037, and 23-038 all consistently reflect that a significant expansion to the existing harbor will have consequences concomitant to the size of the expansion, including more very large cruise ships and container ships.

The very large harbor expansion project that has already been floated to the community could drastically increase the number of large vessels and could bring many more large cruise ships and container ships. It is well documented in Southeast Alaska that the fleets of super-sized cruise ships have significant environmental, social, and economic costs to communities and the environment. The changes in many SE communities have not been benign.

The noise, pollution, crowding, and other problems have drastically damaged quality of life in many SE communities. A couple degrading spinoffs of expansion, like in Juneau, could be noise pollution of constant helicopter landings for glacier touring or air quality degradation from fleets of buses hauling thousands of tourists through town. Many businesses in Homer depend on the “quiet beauty of Kachemak Bay” to sell their services. There is a line beyond which the quality of the experience we all love and enjoy here in Homer will be degraded to where it is no longer quiet, clean, and enjoyable. All natural resources and communities have a “carrying capacity” beyond which quality of the environment will degrade. And we do know, the Spit, with its vehicular crowding, is certainly not far from its carrying capacity.

All of these concerns lead me to recommend all Resolutions must make clear the General Investigation must include an Environmental Impact Statement. This will ensure all impacts to the community, not just the harbor construction, but all the associated changes that come with it, the noise, pollution, congestion, additional public services, public safety, quality of life, need for additional child care and

education, and the financial burden an expanded harbor's maintenance could cause, will be researched and presented to the public.

It is essential for public engagement that all Resolutions call for at least one public scoping meeting in September and another in October. The one in May on the fringe of summer, will hopefully put this process on the public's radar.

I also suggest that the EIS include a "No Action Alternative." This should be reflected in the Resolutions. The public needs to know how much future maintenance of each alternative will cost—we are already facing \$75 million in current maintenance backlog. Just how much debt is the community willing to take on for an expansion? An informed decision depends on good and accurate information on harbor expansion consequences and costs.

Respectfully,

Nina Faust

Please distribute this email to the Council Members and the Mayor. Thank you.
Lani

Homer City Council and Mayor Castner,
I would like to encourage the City Council to include two changes to Resolutions 23-038, 23-036, and 23-037.

First, there needs to be an Environmental Impact Study because there are a vast number of important areas that are environmentally sensitive that will be impacted with a project like this (no matter what size the expansion will be). Nothing less than a full EIS will prevent the decision-makers from making serious mistakes in planning this project.

The second item, which the City needs to be crystal clear about, is that there must be at least two public meetings AFTER the fishing/tourist/summer work season is over (i.e. after August). For the City to say that everyone has been included in decision-making, but not holding those public meetings at a time when all folks can attend, is disingenuous.

Other items that I see as extremely important--but would be dealt with in an EIS and appropriately timed meetings--have to do with the infrastructure needs in Homer, housing, roads, etc. Just "build-it-and-they-will-come" is not going to work; the City is responsible for planning and development that includes involving the whole community. There is time to do this and it is necessary.
