KPEDD OVERVIEW

The Kenai Peninsula Economic Development District (KPEDD) is a private non-government resource focused on the responsible and sustainable economic development for our region. Using a 30,000ft view of the economy, we locate financing and orchestrate community collaboration for economic planning and business incubation. We support infrastructure projects, workforce development and regional industries. KPEDD is funded by federal, state, regional and educational contracts.

Meet our Staff

Tim Dillon
Executive Director

Caitlin Coreson
