#### Memorandum

TO: Mayor Castner and Homer City Council

FROM: Rob Dumouchel, City Manager

DATE: January 4, 2024

SUBJECT: City Manager's Report for January 8, 2024 Council Meeting

#### **AMMA/AML Conference**

In December I attended the Alaska Municipal Management Association (AMMA) and Alaska Municipal League (AML) conferences in Anchorage.

As president of the AMMA, I was responsible for a large part of the conference's coordination and I also delivered two presentations to the group. I gave an interdisciplinary presentation on public engagement and conflict concepts/frameworks from fields such as political science, energy development, and fisheries management. I also co-hosted a session on generative artificial intelligence for local government with the Deputy City Manager of Juneau. I was re-elected president of the association and will continue my leadership role with the organization in 2024.

When the AML conference got underway, I was joined by the Mayor and Councilmembers Aderhold, Davis, Erickson, and Hansen. During the AML conference I attended sessions on topics such as asset management, social determinants of health, TIFIA funding, and cybersecurity. I also attended a meeting of the Alaska Remote Sellers Sales Tax Commission, the Alaska Municipal League Investment Pool (AMLIP) annual meeting, the AML annual business meeting, and I participated in an Alaska Municipal League Joint Insurance Association (AMLJIA) board meeting as a board trustee. I also made time for a meeting with the owner of a mariculture business that operates seasonally in Homer to discuss their operation and the mariculture scene in Alaska at large.

#### **Audit Update**

Finance staff had a discussion with our auditors at BDO laying out the tentative plan for wrapping up the audit. Final review is scheduled for the week of the 8<sup>th</sup> and the week after we should be able to publish and bring the audit to completion at the second meeting in January.

#### **Meetings with State Legislators**

Councilmembers Hansen and Lord, along with me, Port Director Bryan Hawkins, and Special Projects Coordinator Jenny Carroll met with Representative Sarah Vance and Senator Gary Stevens to provide updates on the Homer Harbor Expansion general investigation. Both indicated continued support for the general investigation and are looking forward to meeting with the City in Juneau in February.

#### **Comprehensive Plan Kick Off**

In late December, City staff from planning, economic development, and engineering met with Agnew::Beck's comprehensive plan project team for a kick off meeting. We had a discussion about the project timeline, Council goals and interests, ideas for public engagement and outreach, etc. We will be meeting with them weekly for operational discussions to keep the project moving towards timely completion. The intent is to plan for a significant number of interactions with elected and appointed officials while also using staff from all over the organization to assist with outreach and data collection efforts.

#### **Fireworks Support**

City staff have collaborated closely with organizers of the New Year's Eve fireworks at Mariner Park. As the event has become more popular, coordinating efforts between Police, Fire/EMS, Public Works and the Port & Harbor has become increasingly important to a safe and enjoyable event. This year's fireworks went well from the City perspective and we look forward to continuing to work with the organizers for the continued improvement of future events.

#### **Homer High Government Class Visits City Hall**

The Homer High School Government Class visited City Hall on Tuesday, December 12th for a guided tour, followed by a Q&A session in the Council Chambers with Mayor Castner and Council Members Aderhold, Lord, Venuti, and Erickson. The students had an hour to explore the inner workings of local government, gaining insights into the daily operations of City Hall. The Q&A session aimed to provide a firsthand understanding of the roles and responsibilities of local leaders, allowing students to ask questions and engage in meaningful discussions. The goal of this experience was designed to bridge the gap between classroom learning and practical civic engagement. Mayor Ken Castner emphasized, "Homer High grads are disbursed throughout the City. You need to participate, and that begins with talking and communication." The teens were encouraged to care about the community and be aware of what is being discussed, as they are the future of Homer.
