CC-24-157

Ordinance 24-35, Amending HCC 3.16 and Resolution 24-083, Adopting the Revised Procurement Policy

ltem Type:	Backup Memorandum
Prepared For:	Mayor Castner and Homer City Council
Date:	August 12, 2024
From:	Melissa Jacobsen, City Manager

The current version of the City's Procurement Policy and Procedures Manual was last revised in 2013. The policies are outdated and require updates to bring them in line with the City's current needs.

In 2023 a Finance Working Group was developed and is made up of staff from all City departments that work with procurement in some way. A survey went out to the working group and department directors seeking feedback on what challenges they have with the current policy, and the key responses were related to spending authority and lack of clarity/ease of use.

Following the staff survey, the City engaged with Carmen Jackson LLC, an accounting firm that holds a term contract with the City, to assist in drafting a revised policy manual that takes into account feedback from the survey, current best practices, and reference to state and federal regulations. I also collaborated with former Fire Chief Robert Purcell for guidance in adding a section for procurements under an emergency declaration. Lastly Council Members Lord and Davis, who are working with staff as finance champions, reviewed the documents with me and Finance Director Fisher before bringing these revisions to Council.

As a result of this work, the revised Procurement Policy and Procedures Manual and an ordinance amending Homer City Code 3.16 Procurements are provided for Council's consideration.

Key changes to the policy include:

- Inclusion of a statement of General Polices
- Increase in spending authority
 - Division Directors/Second in Command from \$3,000 to \$5,000
 - Department Heads from \$4,000 to \$10,000
 - City Manager from \$10,000 to \$50,000
 - City Council approval for procurement over \$50,000
- Revised procurement matrix
- Defined spending levels and approval requirements for small, intermediate, and large purchases
- Clarified purchasing procedures and Invitation to Bid/Request for Proposals process
- Addition of a section for procurement under a local disaster emergency declaration

RECOMMENDATION: Adopt Ordinance 24-35 and Resolution 24-083

Resolution 24-083, A Resolution of the City Council of Homer, Alaska, Adopting the Revised City of Homer Procurement Policy Manual. City Manager

Item Type:	Backup Memorandum					
Prepared For:	Mayor Castner and Homer City Council					
Date:	August 12, 2024					
From:	Councilmembers Lord and Davis					

We met with the City Manager and Finance Director on August 1, 2024. This memorandum provides the Council and Mayor with an overview of our conversation, and an opportunity for any questions.

Procurement Policy

• On tonight's agenda are both a resolution updating the Procurement Policy, and an ordinance that updates Homer City Code accordingly. We will be moving to postpone the resolution to follow the ordinance, and expect a memo in the supplemental packet from the City Manager that outlines the major changes in the policy.

EOY Financials/Worksession

• We discussed general ideas around a worksession at our last meeting in September to review end of year financials.

o Missing the mark on FY24 revenue projections - what changes do we need to make for FY25?

o Staff will start pulling together reports and trends in preparation for the worksession.

Audit

• FY23 should be finalized by end of August. It is currently in BDO's court and staff should be getting Bikkie on the calendar for a report to Council ASAP.

• FY24 Porter & Alison coming down in October/November. March 2025 is the benchmark we agreed on, and staff feels positive that this will be successfully met.

FY26/27 Budget Process

• This was briefly reviewed, with emphasis on a process to get early Council feedback on priorities in both the operating and capital budgets.

ADA Advisory Board Regular Meeting of Aug. 8, 2024

(prepared by Council member Venuti)

The meeting was called to order by Chris Thorsrud the chair. There was a quorum.

Under Public Comments there were none.

The staff report was given. The staff is busy with voting and daily business in the Clerk's office. There is a job opening for a Deputy Clerk, which will relieve some of the pressure.

The response from Jenny Carroll concerning the funding for the Nick Dudiak Fishing Lagoon Accessible Ramp and Fishing Platform was shared. This has been on the ADF & G's list of Capital Improvement Projects since 2018. It was a Dingell-Johnson grant request; The D-J is restricted to sort fish boating access. This is part of House Bill 287, that might be looked at this coming year in Juneau. This is an issue we need to continue to advocate for in keeping with the scope of work of this Board to remove barriers and make facilities accessible for all.

Under New Business Board Member Lepley shared his vision that a University *think tank* might want to tackle the issue of access for handicapped to the boat harbor. He realizes the expense and has found sites that advertise what we need that would be cost prohibitive. He asked where we were in getting a study or bid process in order. This will be an issue that can be added to the Joint Work session with the Council.

The topics for the joint work session of Aug 19th were offered. These include: Boat ramp access for all; City embracing above/beyond ADA requirements; update on Heath Street crosswalk; consider the Wayfinding study to continue to make Pioneer Ave. more walkable; and addressing handicapped parking for disabled individuals on the Spit.

The action memorandum requested by Councilmembers Aderhold and Lord was shared and a discussion concluded that a joint meeting was needed with the Port and Harbor Advisory Commission. Their meeting dates were given, the next meeting would be the 12th of September. Renee Krause will be getting back to this Board with confirmation and a map of the City parking spaces available so the number and placement of handicapped parking spots can be examined.

The Joint Session with the City Council is scheduled for Aug. 19th.

There is the possibility of a joint meeting with the Port and Harbor Advisory Commission and Harbormaster on Sept 12^{th} at 5:00.

The next regular scheduled meeting of the ADA Advisory Board is Oct. 10^{th at} 4:00pm

Public Hearing Notice for August 12th City Council Meeting failed to Publish

ltem Type:	Informational Memorandum					
Prepared For:	Mayor Castner and Homer City Council					
Date:	August 12, 2024					
From:	Melissa Jacobsen, City Manager					

It's unfortunate that I have to advise you that the Homer News failed to publish our public hearing notice for August 12th in their edition that ran on Thursday, August 8th.

Council has a joint work session scheduled for August 19th with the ADA Advisory Board. I've asked City Clerk Krause to update that to a special meeting and attempt to have the public hearing notice advertise on August 15th so Council can take up Ordinances 24-31 through 24-34 at the special meeting.

Please open public hearings for these items tonight so public interested in commenting tonight may do so, and postpone to a second public hearing on August 19th.
