WORKSESSION

Zoom Webinar ID: 965 8631 4135 Password: 792566

CALL TO ORDER, 4:00 P.M.

Councilmember Hansen attended via Zoom and Mayor Castner had requested excusal, timely notice was provided.

AGENDA APPROVAL (Only those matters on the noticed agenda may be considered, pursuant to City Council's Operating Manual, pg. 6)

Mayor Pro Tem Lord read the supplemental item into the record: **DISCUSSION TOPIC** Item a. Capital Improvement Plan and FY26 Legislative Public, Comment Received, page 3 in the supplemental packet.

ADOPTED as AMENDED.

DISCUSSION TOPIC(S)

- a. Capital Improvement Plan & FY26 Legislative Request
Memorandum CC-24-179 from Special Projects & Communications Coordinator as backup.
Pratt Museum Roof Replacement Project & Public Comments

Mayor Pro Tem Lord introduced the item and deferred to Ms. Carroll

Special Project & Communications Coordinator Carroll reviewed Capital Improvement Plan process and procedures for Council, then noted the sections of the plan, providing explanations on the updates and or changes. She facilitated discussion on the following:

- Keeping the Karen Hornaday Restroom in the document due to planning for constructing a permanent structure.
- Updating the City Hall Barriers project sheet
- Recommendation to update the Karen Hornaday Restrooms project title sheet

- Recent information from the city's development group, concludes the Park plan is not finalized.
- Having the section in the plan for non-profits is beneficial as it complies with the public support and advocacy which grants usually request.
- Legislative priority and viability for the City Hall Barrier Access Project to achieve Federal Funding due to City Hall being a polling location and the importance of voter access.
- Stability project for the steep slope and where the Federal Government and State at on funding these projects in light of the recent Ketchikan slide in an unexpected location.
- Comprehensive Drainage Project
 - Kachemak Sponge is to assist with erosion on the bluff-side not the upside, the project on the Baycrest is rough conceptual

Public Works Director Kort responded to questions related to Storm water/Drainage are synonymous. Study at the State level and waiting on final status update. He will provide Council an update as soon as he receives it.

Ms. Carroll requested the Councilmembers list of nine projects by the end of business Friday, August 30, 2024.

COMMENTS OF THE AUDIENCE (3 minutes)

There were seven that commented.

ADJOURNMENT NO LATER THAN 4:50 P.M.

Mayor Pro Tem Lord adjourned the meeting at 4:52 p.m.

COMMITTEE OF THE WHOLE

Zoom Webinar ID: 953 097 829 Password: 234696

CALL TO ORDER, 5:00 P.M.

Councilmember Hansen attended via Zoom and Mayor Castner had requested excusal, timely notice was provided.

AGENDA APPROVAL (Only those matters on the noticed agenda may be considered, pursuant to City Council's Operating Manual, pg. 6)

ADOPTED as presented.

CONSENT AGENDA

Mayor Pro Tem Lord facilitated Council discussion on the following:

- Ordinance 24-39 What was the precedent to purchase a storage tank now compared to past years.

- Previously they performed maintenance when they ran out, which did not happen often and they did what maintenance they could and limped along but now they have leaking valves and purchasing the holding tank will allow them to perform the preventative maintenance at regular intervals and repairs will not have to wait until critical.
- Resolution 24-090 Preliminary design of the highway underpass for the Diamond Creek Trail, was this requested by the State to start the process or are there other ways to match the funding to show that the City is serious about the project.
 - Council approved the funding previously for this work, but it took a bit to get all the city's "ducks in row" before getting the preliminary work done.
 - Having the Preliminary design work completed is primary before getting the Memorandums of Understanding in place and once this design work is accomplished the City, Borough and State can start looking at the next steps.
- Ordinance 24-40 for the Library Trail work, what is actually included in the project.
 - Public Works director Kort explained that the project was closed out prematurely and this funding will cover final top dressing, gravel, fabric, widening it to full width and performing bump outs for placement of the storyboards and that will allow Public Works to maintain the trail without damaging the storyboards
 - Extends the Trail across Lucky Shot and to Poopdeck Trail
 - Approximately 50% of the trail is completed and the second half was only partially completed. There was a miscommunication between Parks Maintenance and the Public Works Director regarding the status of the Storybook Trail so a decision was made to perform that work in house and the remaining funds from Beauregard would cover that work.
 - Since there is a transition drop at the Lucky Shot trail that is the reason for the ordinance for the Lucky Shot Trail since materials have been lost over time.
 - Lucky Shot section is from Lucky Shot, approximately halfway to the Library, and not Lucky Shot to Poopdeck section.
- Beauregard Trail completion costs were substantially less. Great use of the remaining funds but consider new project or separate trails project in the future.
 - Concerns expressed for future questions on why the funding was allocated
 - Public Works Director was unaware of who did the project estimate for the Beauregard Trail and the city was waiting the outcome of the freeze thaw cycles to stop to determine if additional work was required. There was no additional work needed.
- Ordinance 24-42, Bayview Park Renovation Project glad to see the improvements and receive the donation from the Homer Rotary but clarification on use of Roads HART funds was provided that there was a new parking lot and paved ADA walking path around the park
- Resolution 24-090 needed a minor amendment so will be pulled from the Consent and moved to Resolutions
- Resolution 24-091 will be pulled from the Consent and Moved to Resolution as there was a substitute in the Supplemental packet.

REGULAR MEETING AGENDA

WORKSESSION AGENDA

COMMENTS OF THE AUDIENCE

There were two who commented.

ADJOURNMENT NO LATER THAN 5:50 P.M.

Next Regular Meeting is Monday, September 9, 2024 at 6:00 p.m., Committee of the Whole at 5:00 p.m. A Worksession is scheduled at 4:00 p.m. All meetings scheduled to be held in the City Hall Cowles Council Chambers located at 491 E. Pioneer Avenue, Homer, Alaska.

Motion carried.

VISITORS

ANNOUNCEMENTS / PRESENTATIONS / REPORTS (5 Minute limit per report)

a. Worksession Report

City Manager Jacobsen reported that Council received a review of the Draft Capital Improvement Plan (CIP) from Special Projects & Communication Coordinator Carroll. Council discussed the following projects and processes regarding the plan:

- Karen Hornaday Park Restroom Project
- City Hall Barrier Removals
- Homer Spit Campgrounds
- Baycrest Overlook Restrooms
- Non-profit project pages in the CIP are not requests for city funding
- Council requested to submit top none projects
- Inclusion of the Pratt Museum Roof Project in the CIP
- Comments on Mount Augustine Drive slope stability project with the State

b. Committee of the Whole Report

Councilmember Erickson reported that Council discussed the following topics:

- Number of Public Works Projects on the agenda and those projects just starting
 - Funding should be clear on where it is coming from
- Ordinance to buy an Ammonia Storage tank
- Resolution to authorize a preliminary design for a underpass previously approved by Council and amended to speak to the MOU concern brought forward by the Mayor
-

c. Mayor's Report

Mayor Pro Tem Lord reported that the Mayor did the City proud in the Bridge tournament in Whitehorse but unfortunately fell ill.

d. AML Summer Conference Report

- i. AML Summer Conference in Kodiak, Alaska by Councilmember Aderhold

Councilmember Aderhold provided her written report and commented that the City Manager brought forward the Public Notice issue and received resounding applause from the majority in attendance.

e. Economic Development Advisory Commission

Karin Marks, Chair for the Commission, reported the Commission reviewed the CIP and supported the Pratt roof project, and EDC planning a worksession on Cruise Ships and there is one open seat still available.

f. Parks Art Recreation and Culture Advisory Commission

Ingrid Harrauld, Commissioner, reported appointment of new Commissioner, Ellie Stefano that represented the arts, Commission recommendations on the CIP and expressed appreciation for the support in funding for the trails, performing a SWOT with a consultant preliminary more staff, capturing the intangibles, conversations on closing the Baycrest, denial of acceptance of art donation for the Boathouse Pavilion, community rec software, improvements to the KHP and Jack Gist Park, Sister City Banners, gardens are lovely.

0:17:52

g. Library Advisory Board

Andy Haas, Board member, expressed appreciation for the security gate funding and it will now be available for use after hours, they discussed the CIP top priority is the Siding project, State Funding is reduced to \$1829 and will be detrimental to the areas smaller libraries in Ninilchik, Anchor Point and Seldovia eed.library.grant@alaska.gov. 907-465-2802 These libraries will be feeling the financial loss. Teen Library Board

Erickson with the gate clarification on the doors being open for scheduled meetings and the doors will be locked after the meeting

h. Comprehensive Plan Steering Committee Report

Kathy Carssow, Chair of the Committee, reported that in response to the Council's concern they will begin in January with kickoff in February, approval will be delayed to April. She explained her understanding and expressed concerns regarding issues that are impacting the community now. Council will have to provide clarification for her and the community. Ms. Carssow continued by commenting on the completion of the Comprehensive Plan and start of the re-write for Title 21 and Agnew::Beck responded to Council's concerns but opined that it was still far too late citing the relevance of importance to things happening now in the Community and moving on the changing code is really important. Ms. Carssow reiterated that she wanted clarification on the schedule that is approved for her personal knowledge as well as the community's. She referred to her previous experience, noting that contracts could not be changed by staff and not go back before Council for amendment to the contract.

Councilmember Davis reported that the disagreement is between the Contractor and the Steering Committee members. He understood that if the Contractor wished to amend the schedule that had specific dates and timelines that the Contractor was required to submit a change to effect that to staff or the City Manager who would then seek approval from City Council for the change. Mr. Davis added that he did not believe there was disagreement on that assumption.

Council member Venuti asked if the question should be weighed in on by the City Attorney.

City Manager Jacobsen stated noting that her role was negotiating the contract and that the contract should have been amended at the beginning since a Steering Committee was not called out for in that contract, she additionally stated that the tasks or duties of the Steering Committee were outlined in the Resolution that created the Committee and she did not call out any related to the Title 21 re-write, that is a separate component from the Comprehensive Plan.

Ms. Carssow was just pointing out that the Steering Committee did not have the authority to extend the dates of the contract and expressed concerns on the work for the title 21 update was starting later than planned.

Mayor Pro Tem Lord commented that she would like to see Council apprised a bit more on the status of things.

i. Champions Report

- i. Finance
- ii. Harbor
- iii. Recreation

j. Borough Report

Kelly Cooper reported the Assembly enjoyed their recent visit to Homer and appreciated the City hosting them, stating that the comments are Homer always has the best food. She then continued on calls received regarding the entrance to the landfill and the horrible pothole is scheduled for repair, the fall tax foreclosure public auction is scheduled for October 5, 2024 and will be held in the high school auditorium, properties will be listed on the website in the coming week after the next meeting. They will have an ordinance regarding retention schedule, some will be retained and others developed for housing, she noted that there were three Borough Assembly seats up for election and all three are uncontested, she will be introducing a resolution to create a tourism industry group to start meeting in the fall. Ms. Cooper expressed hope that all communities will participate.

Ms. Cooper facilitated discussion on collection of sales tax from operators such as Airbnb. She may be able to have more information at the next meeting.
