

CITY OF HOMER NEWSLETTER

VOL. II - ISSUE XI | AUGUST 2023

MONTHLY NEWSLETTER FROM THE OFFICE OF THE CITY MANAGER

COAST GUARD CUTTER ASPEN ARRIVES IN HOMER

On July 18, the U.S. Coast Guard Cutter Aspen reached its new homeport in Homer after sailing for more than five months and over 8,746 miles from Baltimore, Maryland.

The Cutter Aspen assumes the important role of the "Bull of the North," taking over from the Coast Guard Cutter Hickory as Homer's 225-foot Juniper class buoy tender. Its responsibilities include servicing navigational aids throughout the Kenai Peninsula and north of the Aleutian chain. In May 2022, the Hickory left Homer and entered the Maintenance and Modernization Availability (MMA) in June 2022. After the MMA is completed, the Hickory will be re-homeported in Guam. ([USCG D17 Public Affairs](#)).

During the arrival of the Cutter Aspen, Port Director Bryan Hawkins caught the first line ashore, a role he had fulfilled previously during the arrival of the Cutter Hickory in Homer when he was a new harbor officer. The crew of the Aspen honored him by offering him the same privilege this time. As he stood on the pier that morning, Bryan was delighted to witness the warm welcome given by families gathered to greet the returning crew.

LIBRARY

AUTOMATIC RENEWALS

Avoiding overdue materials is now easier than ever since the library provides automatic renewals! When your item comes due, the computer will renew it automatically unless:

1. The item is on hold for another patron,
2. The renewal limit has been reached, or
3. The card is blocked.

Like always, most items can be renewed twice. Patrons who have an email in the system will receive a notice telling them that the item has (or has not) been renewed. Automatic renewals are turned on for all patrons and no registration is necessary.

For more information, contact Library staff at circ@ci.homer.ak.us or 907-235-3180.

CITY CLERK'S OFFICE

HOMER CITY COUNCIL CANDIDACY PERIOD OPEN ON TUESDAY, AUGUST 1

The City Clerk's office is accepting Candidacy Declarations for two City Council seats beginning Tuesday, August 1 through Tuesday, August 15 at 4:30 p.m. City Council terms are for three years each. To be eligible to serve, each candidate must meet voter qualifications outlined in Homer City Code (HCC) 4.05.010, and must have been a resident within the city for a period of one year immediately preceding the election day on which the person is a candidate, per HCC 2.08.020. Candidacy filing forms can be found on the City Clerk's webpage www.cityofhomer-ak.gov/cityclerk/regular-city-election-candidate-filing-information or at the City Clerk's office located at 491 E Pioneer Avenue.

Contact the City Clerk's office at 907-235-3130 or email clerk@ci.homer.ak.us with any questions.

VOTER REGISTRATION

The City of Homer Election Day is Tuesday, October 3, 2023. Voters must be registered to vote at a residence within the City at least 30 days before the election date. The deadline to register to vote for the October 3 election is Sunday, September 3, 2023. If you need to register to vote or update your voter registration, visit www.elections.alaska.gov to register online or stop by the City Clerk's office or Homer Public Library to register in person during regular business hours. Contact the City Clerk's office at 907-235-3130 or email clerk@ci.homer.ak.us with questions.

Peonies at City Hall

CITY MANAGER'S OFFICE

SISTER CITY 40TH YEAR ANNIVERSARY

2024 marks the 40th year anniversary of Homer's Sister City relationship with Teshio, Japan. This journey of cultural exchange and friendship has left a lasting impact on both of our communities.

The City is forming a dedicated planning task force to plan programming and events to celebrate the anniversary year. If you're passionate about fostering international connections and cultural exchange, we need your enthusiasm and ideas!

Interested in joining the task force or learning more about the Sister City program? Contact the City Manager's Office at citymanager@ci.homer.ak.us. Let's celebrate this milestone and strengthen the bond between Homer and Teshio!

Stay tuned for updates on the festivities in 2024!

August is Teshio Sister City Month!

Teshio and Homer have enjoyed a profound camaraderie, sharing of families, student exchanges, ideals and memorabilia since 1985. City of Homer Mayor James C. Hornaday proclaimed August as Teshio - Sister City Month on August 26, 2005.

Teshio's mascot is **Teshio Kamen** (てしお仮面) who is a superhero basket clam. He is given a "te" (天)-shaped badge to symbolize being honored.

TSUNAMI WARNING SIRENS ON JULY 15

Late on July 15, a 7+ magnitude earthquake near Sand Point triggered a tsunami warning for Homer. The warning phone system activated automatically at 10:48 p.m., and Chief Kirko, Chief Robl, and other emergency management members of City staff were on-site by 11 p.m. The NOAA Tsunami Center later excluded Homer and the Kenai Peninsula from the affected area. Unfortunately, at the same time, local sirens were triggered by an external source, causing confusion for residents and visitors. Thankfully, the all-clear was given within an hour.

In response to the incident, Police Chief Robl met with the Kenai Peninsula Borough Office of Emergency Management staff and regional stakeholders to review and discuss the warning's management.

The City acknowledges the confusion caused by conflicting alerts and is actively reviewing response procedures. Our focus is on improving emergency communication channels to ensure accurate information reaches everyone promptly.

Please sign up for our emergency alerts, stay tuned to reliable news sources, and familiarize yourself with evacuation routes and safety procedures at www.kpb.us/alerts.

VISIT FROM DOT&PF COMMISSIONER

In an effort to address transportation challenges in Alaska's Central Region, Representative Sarah Vance organized a visit with Alaska Department of Transportation and Public Facilities (DOT&PF) Commissioner Ryan Anderson to Homer on July 27. The visit aimed to familiarize the Commissioner with the area's needs and gain firsthand insights.

Accompanied by DOT&PF Legislative Liaison/Special Assistant Andy Mills, the delegation met with local officials to discuss projects and plans, including Homer Mayor Ken Castner, Kachemak City Mayor Connie Isenhour, Homer City Councilmember Shelly Erikson, and City of Homer Special Projects Coordinator Jenny Carroll.

Key topics covered included:

- Addressing safety concerns and managing increased traffic on East End Road.
- Evaluating road conditions and ensuring pedestrian safety on Kachemak Drive.
- Exploring stormwater and groundwater management during road construction and the importance of local knowledge.
- Analyzing Homer's Kachemak Sponge Project and its significance.
- Discussing erosion conditions on Homer Spit.

The City thanks Representative Sarah Vance for bringing this gathering together. Additionally, we appreciate Commissioner Ryan Anderson's sharing his valuable time and his commitment to engaging with local officials and understanding our region's unique challenges.

DOT&PF INVITES PUBLIC COMMENT ON THE DRAFT 2024-2027 STIP

The Alaska Department of Transportation & Public Facilities (DOT&PF) has released the draft of the updated [Statewide Transportation Improvement Program \(STIP\)](#) and is encouraging the public to provide their feedback.

If you have a project that you would like to see completed in Homer, this is your opportunity to tell the DOT&PF!

The STIP is a comprehensive four-year plan that encompasses various surface transportation preservation and development projects. It covers highways, roads, sidewalks, trails, bridges, ferries, and public transportation while excluding aviation-related initiatives.

2024-2027 Statewide Transportation Improvement Program (STIP)

3 ways to comment on the STIP:

- ONLINE** at dot.alaska.gov/stip or scan this QR code:
- TEXT** STIP to 855-925-2801
- CALL** 855-925-2801 & use PIN 2191 to leave a message

Various avenues for submitting comments are available on the [DOT&PF Invites Public Comment on the Draft 2023-2027 STIP webpage](#). For more information, the DOT&PF is hosting a public open house on Thursday, August 3. Find the virtual meeting link on the webpage linked above.

PORT & HARBOR

STAFF HOSTS U.S. ARMY CORPS OF ENGINEERS PLANNING TEAM

Harbormaster Matt Clarke and Port Director Bryan Hawkins recently hosted Robin Carr, Megan Green, and Alex Ryan with the U.S. Army Corps of Engineers (USACE). Alex's main focus is on programming a model for estimating delay times and costs resulting from overcrowding in small boat harbors. This model is intended for use in USACE small-boat harbor project studies across the United States.

To aid Alex in refining his model, staff hosted him for a two-day visit, during which he had the opportunity to witness the boat harbor in action. The visit also provided a platform to discuss various challenges associated with small boat harbors, thus informing the setup of his model effectively.

Throughout the visit, the group had the privilege to observe the launch ramp and barge ramp in operation, and witnessing multiple boat tows required due to harbor congestion. Additionally, they had the chance to explore unique facilities, including the public-use cranes at the fish dock. This hands-on experience allowed everyone involved to gather valuable insights into boat behavior in the harbor, traffic seasonality, and the key factors influencing the demand for harbor services. The knowledge gained during this visit will undoubtedly contribute to the team's future planning endeavors and support Alex in refining his small boat harbor model.

U.S. ARMY CORPS OF ENGINEERS COMMANDER VISITS HOMER

The City had its first meeting with the new commander of the U.S. Army Corps of Engineers Alaska District – Colonel Jeffrey Palazzini. Joining Colonel Palazzini was Randy Bowker who has been a frequent Homer Harbor visitor and serves as the Deputy District Engineer for Program Management (DPM) and Chief of the Program and Projects Management Division for the U.S. Army Corps of Engineers, Alaska District. Representing Homer was Mayor Ken Castner, Councilmember Donna Aderhold, City Manager Rob Dumouchel, Port Director Bryan Hawkins, Special Projects Coordinator Jenny Carroll, Port Administration Supervisor Amy Woodruff, and Port Commissioners Crisi Matthews and Bruce Friend. Staff oriented the Colonel to the Port of Homer and discussed the progress related to the large vessel harbor expansion project to date. After the meeting, staff provided a brief tour of the port and harbor. The City looks forward to working with Colonel Palazzini and continuing our strong relationship with USACE leadership in Alaska.

HOMER HARBOR EXPANSION STUDY UPDATE

Study Update

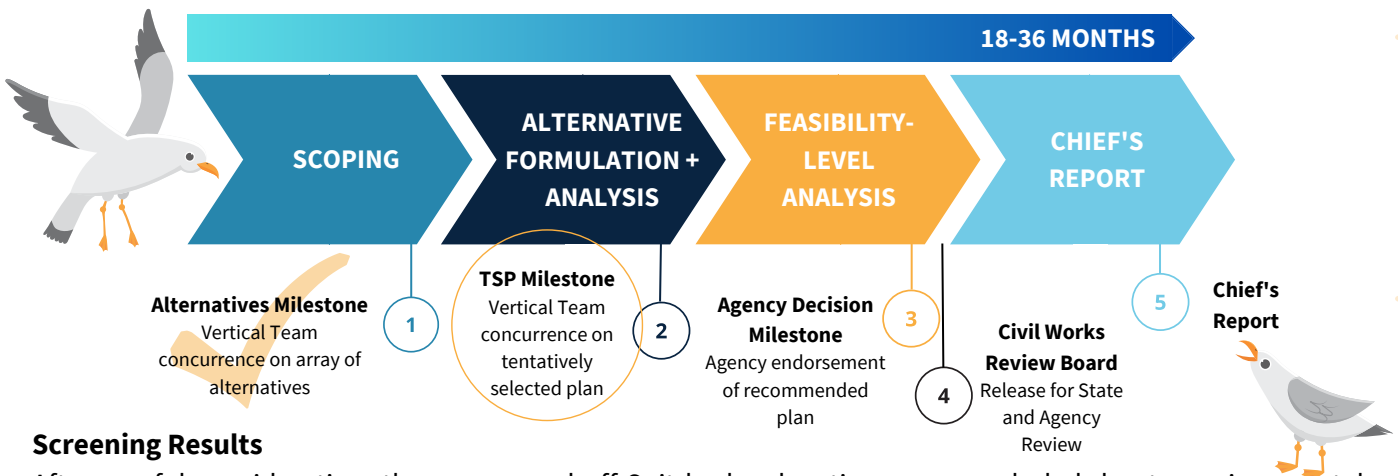

The USACE recently completed the scoping phase of the study, in which they evaluated and screened thirteen different alternative design concepts (developed at the May 17-19 public design charrette) according to a set of criteria. Their screening moved five of the most feasible design solutions onto the Alternative Formulation and Analysis phase of the study. The results of the screening have been presented to the USACE leadership for approval and shared in a City Council Worksession on July 24, 2023.

Mark Your Calendar!

 Saturday, September 23 at 11 a.m.

 Kenai Peninsula College Campus, Room P201

 www.homerharborexansion.com

Screening Results

After careful consideration, three proposed off-Spit harbor locations were excluded due to environmental and practical concerns. A location near the existing Homer Harbor has been chosen for further study. The five design concepts moving forward are all enclosed basins with rubble mound breakwaters. Three are single basins that vary according to the amount of uplands they provide. A fourth design features two enclosed basins. The fifth design is also an enclosed basin but is detached from the Spit to create a tranquil environment for moorage. Go to www.homerharborexansion.com for detailed information about the initial array of designs, the USACE screening criteria, and screening results.

What's Next

In the second phase of the study, the USACE will finalize the fleet to be served, develop more detail for each design (size, orientation, and suggested location), model wave, sediment, and fleet movements for each design, and continue environmental analysis. As the study progresses, alternatives will be refined and additional measures could be identified. The process will result in screening out alternatives and arriving at a Tentatively Selected Plan (TSP).

Community Engagement

Your input is vital to this study's success. On September 23, the City is hosting an event for the community to get updated on the study's progress and to review, offer suggestions to improve the developing designs, and provide feedback. Meanwhile, stay engaged at www.homerharborexansion.com and follow the City of Homer on [Facebook](#) and Instagram ([@cityofhomerak](#)).

PUBLIC WORKS

WATER SYSTEM EXCELLENCE AWARD

The City has achieved Ursa Major status in Water System Excellence for 2022. Recognized by the Department of Environmental Conservation (DEC), this award acknowledges compliance with the Drinking Water and Operator Certification Programs. The City is committed to the continuing professional development and training of its water system operators. Congratulations to our dedicated Public Works staff for setting a high standard of excellence. We remain dedicated to providing safe drinking water to our community.

TOURS OF WATER AND WASTEWATER

TREATMENT FACILITIES

Some newer staff in City Hall were given tours of the Wastewater and Water Treatment facilities on July 19. Guided by Todd Cook and Jim Tingley, the tour showcased the impressive operation levels of both facilities and the unwavering dedication and passion displayed by their operators. Notably, these operations have garnered numerous awards over the years, including a recent recognition from the Alaska Department of Conservation (DEC) as highlighted above.

The City of Homer Public Works Department is committed to delivering top-notch water and sewer services. They are proactive in anticipating future demand and efficiently catering to the city's growth by extending water and sewer services into areas identified in the land use plan.

Membrane Filters at Water Treatment Facility

LOCAL MITIGATION GOALS

Mitigation goals play a crucial role in shaping disaster management strategies by outlining an agency's objectives in hazard and loss prevention. These long-range policy-oriented statements reflect the community-wide vision and guide the development of effective mitigation plans. The City of Homer utilized the Federal Emergency Management Agency (FEMA) priorities for the 2022 Building Resilient Infrastructure and Communities (BRIC) program for the recently adopted Local Hazard Mitigation Plan (LHMP). These priorities serve as the foundation for defining three key goals in Homer's LHMP. This series will delve into the significance of mitigation goals and explore the specific objectives outlined by FEMA for building resilient communities.

1. Enhance climate protection and adaptation efforts.
2. Create a healthy and safe community.
3. Protect critical facilities and infrastructure against hazards.

3 Protect critical facilities and infrastructure against hazards

This goal recognizes the importance of safeguarding vital assets such as hospitals, water and wastewater treatment facilities, transportation networks, and communication systems from potential risks. By focusing on this objective, the city aims to ensure the continued functioning of essential services during and after disasters, minimizing disruptions and enabling swift recovery. Through the utilization of the Federal Emergency Management Agency (FEMA) priorities for the 2022 Building Resilient Infrastructure and Communities (BRIC) program, Homer's LHMP will address specific strategies and measures to fortify critical facilities and infrastructure, reinforcing the resilience of the community as a whole.

Find the Local Hazard Mitigation Plan on the City's website: <https://bit.ly/3pdCjKh>

FIRE DEPARTMENT

HVFD'S MUTUAL AID RESPONSE IN FRITZ CREEK GENERAL STORE FIRE

In the early hours of July 6, the Homer Volunteer Fire Department (HVFD) rushed to provide mutual aid to Kachemak Emergency Services Area (KESA) during a structure fire at Fritz Creek General Store. HVFD's Tanker-2, manned by Firefighters Arndt and Harvey, quickly arrived at the scene, supported by Deputy Chief Kahles and Chief Kirko.

Working in collaboration, HVFD and KESA crews swiftly initiated an aggressive attack on the fire. Despite intense interior conditions with temperatures exceeding 900 degrees, they successfully brought the blaze under control, preventing further damage and potential rekindling.

The incident showcased the effectiveness of their partnership and the importance of mutual aid in emergency response situations. HVFD's seamless coordination with KESA demonstrated the power of sharing resources and expertise during critical moments.

However, the response also highlighted some challenges. Tanker-2 faced repairable maintenance issues, underscoring the need for ongoing investment in equipment to enhance operational efficiency and safety. Additionally, the complex building construction posed difficulties during the extensive overhaul process.

Despite the challenges, Chief Kirko praises HVFD's flawless performance, emphasizing their crucial role in the quick extinguishment of the fire. The dedication of both HVFD and KESA personnel exemplifies the spirit of community and support, making our neighborhoods safer and more resilient.

The demonstration of mutual aid from HVFD with KESA during the Fritz Creek General Store fire serves as an inspiring example of effective collaboration between emergency services. By joining forces, these departments exemplify the spirit of community, dedication, and support, ensuring a swift and efficient response to emergencies.

In this section, we aim to keep readers informed about the latest developments in public safety in the community. Whether it's news about crime prevention, emergency preparedness, or updates on local law enforcement activities, we've got you covered. Our goal is to promote a safe and secure environment for all community members and visitors of Homer, and we believe that staying informed is a crucial part of achieving that. Read on to learn more about what's happening in public safety in Homer.

UPGRADED TSUNAMI SIRENS BEING INSTALLED IN AND AROUND HOMER

The Kenai Peninsula Borough Office of Emergency Management began the tsunami siren upgrade and testing project in late July with expected completion by mid-August. This project will enhance safety and emergency communication by addressing deficiencies identified in the Borough's All-Hazards Alert and Broadcast System assessment. The project will improve existing sirens to boost current coverage and provide clearer warning messages. It will also expand coverage by adding two new sirens at strategic locations on the Peninsula (one at Northern Enterprises Boat Yard on Kachemak Drive and another at the solid waste transfer site in Anchor Point).

Each site is projected to require one day for completion. The Borough anticipates only minimal traffic disruptions, such as reduced lanes at the Anchor Point transfer site. The Kenai Peninsula Borough will coordinate with the Alaska Department of Transportation to ensure efficient traffic management during the installation process. For more information about emergency preparedness, updates on the outdoor warning sirens, and other important information, visit and follow the [@KPBAlerts Facebook page](https://www.facebook.com/KPBAlerts), and go to <https://info.kpb.us> and sign up for KPBA Alerts.

The anticipated timeline for work on the siren sites in and around Homer, subject to weather conditions and logistical considerations, is as follows :

- July 24-25: Homer Harbormaster
- July 26-27: Homer Ice Rink
- July 28-29: Homer Mariner Park
- July 31-August 1: Nanwalek
- August 2-3: Port Graham
- August 4-5: Seldovia
- August 7-8: Homer Fish & Game
- August 8-9: Homer Bishops Beach
- August 9-10: Homer Northern Enterprises Boat Yard (New)
- August 10-11: Anchor Point (New)

The KPBA's tsunami tower rebuild team installed the new tsunami warning system on the pole next to the Harbormaster's office.

Welcome TO THE TEAM!

The City is delighted to extend a warm and enthusiastic welcome to Keith and Tom. We are thrilled to have them join the team!

- **Keith Bohlken**, Custodian
- **Tom Gilbert**, Ice Plant Operator I

JULY ANNIVERSARIES

We would like to recognize City staff members with anniversaries last month. Thank you for the dedication, commitment, and service you've provided the City and taxpayers of Homer over the years. You all are an integral part of what makes the City of Homer a great place to work and the community.

PLANNING & ZONING

NATIONAL FLOOD INSURANCE PROGRAM COMPLIANCE

We are actively improving our floodplain program to comply with the National Flood Insurance Program (NFIP) and protect our community. In a recent meeting with the State of Alaska NFIP Coordinator, Harmony Curtis, we received valuable technical advice on NFIP regulations, focusing on the development permit process in flood-prone areas.

Staying NFIP-compliant allows us to access federal grants and loans for flood hazard area development. We remain committed to your safety, protecting against erosion, and minimizing flood damages. If you have any questions or concerns about the City's floodplain program, please contact the Planning Department at planning@ci.homer.ak.us or 907-235-3106.

MEET CITY STAFF

Meet **Amber Baldus**, the dedicated Administrative Assistant to the Fire Chief at the City of Homer's Emergency Services Division. She coordinates daily administrative tasks, supporting the Fire Chief and staff with care and precision. Amber's true joy comes from

servicing the community, while outside of work, she enjoys roller skating, gardening, hiking, and camping. Her commitment to the City of Homer and its community members makes her a valued hometown hero.

"What I enjoy most about working for the City is literally being of service to this community. I very much enjoy working for a department who gives so much of their care, time, and hard work to the citizens of Homer, and I want to help support our staff and community in any way I can."

The meeting's positive outcomes include:

- NFIP training for our Planning Department
- Our floodplain ordinance complies with NFIP standards
- NFIP presentation for the Planning Commission
- Comprehensive review of our floodplain program
- Efficient permit review and issuance practices
