HOMER ANNUAL WINTER CARNIVAL ORGANIZED BY HOMER CHAMBER OF COMMERCE

Parade on Pioneer Avenue

Winter Carnival Parade Saturday, February 10th, at Noon on Pioneer Avenue

The annual Homer Winter Carnival is here! It's time to shake off the winter blues! Bring the whole family, bundle up, grab a hot drink, and come join the excitement of the parade on Pioneer Avenue.

Let's see how creative participants can get this year with the theme of "What's old is new"! You'll see custom floats, marching bands, groups from our local schools, antique cars, animals, bikers, walkers and more!

This year's featured performer is the Krewe Music Group.

After the parade, pop into some local shops, take a walk through downtown, and mingle with your neighbors. It's the perfect opportunity to get out into the fresh air and enjoy our charming town.

CITY HALL

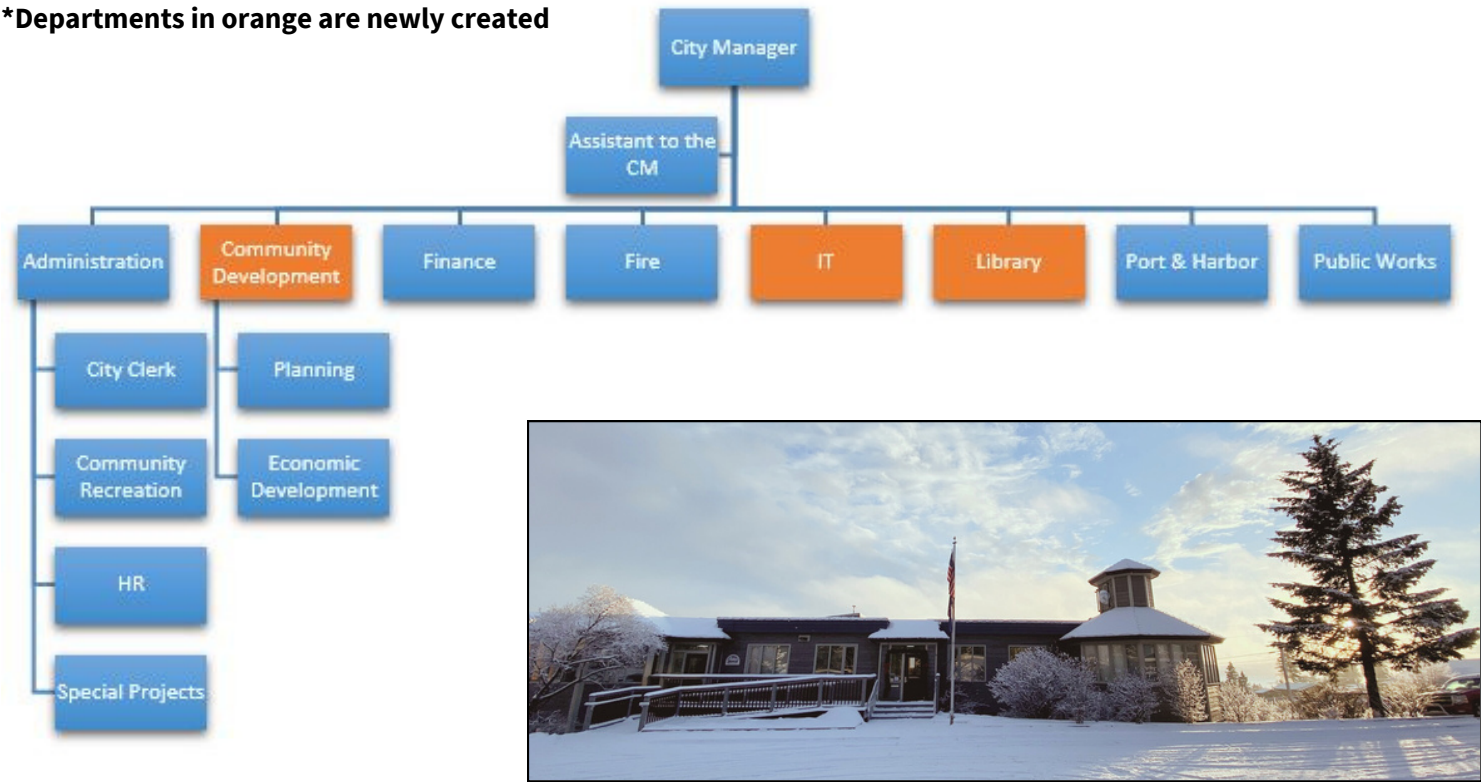

RESTRUCTURING

In January the City Council approved a restructuring of the City organization which resulted in the creation of three new departments. We now have independent departments for the Library, Information Technology, and Community Development.

The City's organization design has not changed much since the mid-1980s. After a bit of a shuffle in 1985 we've only seen two significant changes: the deletion of the Department of Health in 1991 and the split of the Department of Public Safety into separate Police and Fire Departments in 2017.

The City Manager proposed the reorganization with the intent of better matching organizational design with how the City operates. The new structure provides a more transparent view of City operations through documents like the budget and increases the organization's effectiveness at providing services to the City's residents, businesses, and visitors. City staff will be working to implement the changes over the next month.

STAY IN THE LOOP

There are multiple ways you can stay up to date on important issues. We want to hear from you and welcome public input when making decisions that affect you.

All scheduled meetings can be found through the link below, on the City of Homer website. By clicking on each meeting, you can view the current Agenda. You can voice your comments and concerns during any of the Public Comment sections of a meeting. During the Comments from the Audience section, each person is allowed 3 minutes to comment on whatever topic they wish. There is no response as it is a one-way open forum for the Mayor, City Council Members, the City Manager, and Commissioners to hear what the public has to say.

PARKS

PARK PLANS

City staff met recently with the Parks, Arts, Recreation, and Culture Advisory Commission (PARCAC) to review the most recent drafts of the Park Master Plans for Bayview and Karen Hornaday Park.

How You Can Help: There will be a work session to review some more options. The meeting is open to the public. The Agenda will be posted to the [PARCAC Worksession Meeting Details](#) page closer to the meeting date.

When: February 15, from 4:30 - 5:30 pm

Where: City Hall, Cowles Council Chambers

LIBRARY

BENCH DESIGN PROPOSALS

The Friends of the Homer Library (FHL) and the National Park Service are collaborating to establish a new community space on the 2.24-acre land parcel located between the library and Poopdeck Trail. This initiative aims to expand the library's mission beyond its physical confines, transforming the area into a cultural, educational, and recreational asset for the community.

To enhance the space, FHL has released a Request for Proposals (RFP), inviting designs for two public benches. The first bench will be positioned at the western end of the trail where it intersects with Poopdeck Trail, while the second bench, featuring a "wraparound" design, will encircle a spruce tree in the knoll area. Local artists and craftworkers are encouraged to submit their creative proposals for consideration.

All proposals must be received by FHL **no later than 8:00 pm on February 20, 2024.**

Proposals can be submitted in three ways:

1. Via email to dberry@ci.homer.ak.us (preferred)
2. In-person at the Homer Public Library
3. By mail to: Homer Public Library Attn: Dave Berry 500 Hazel Ave. Homer, AK 99603

[Click HERE to view the full Request for Proposals \(RFP\) Document](#)

The full details of this RFP and additional information about the Western Lot Project can be found on the Homer Public Library's website. <https://www.cityofhomer-ak.gov/library/western-lot-project>

ECONOMIC DEVELOPMENT

SHORT TERM RENTALS

In the Spring of 2022, Homer City Council identified community housing as a priority issue. Since then, many efforts have been made to gather data and look at potential solutions. In November 2023, Council introduced Ordinance 23-61 that has been a topic for public meetings, conversations, and recommendations.

The proposed Ordinance 23-61 would amend Homer City Code, adding a section on short-term rentals. The initiative stems from concerns about housing availability for both seasonal workers and year-round community members. Acknowledging the economic benefits and challenges posed by short-term rentals, the ordinance aims to establish regulations to ensure safe operation, prevent public nuisances, and facilitate the collection of appropriate taxes, with a commitment to ongoing adjustments based on community needs and feedback.

Cabin with a View

Share Your Thoughts

Coming up, on **February 26**, there will be a Public Hearing. We want the public to get involved! Click the link to comment on the proposed regulation.

What does the Ordinance do?

- Requires registration with the City and provides state business license and KPB sales tax compliance form.
- Requires Self-Certify Basic Life Safety; are there smoke detectors, fire extinguishers, etc.
- Requires an emergency contact be provided for the police department and neighbors within 300 feet.

What the Ordinance does not do.

- Does not cap the number of units in a neighborhood or city wide.
- Does not require life safety inspections.
- No change in city capacity; no new staff, no increased enforcement.

HOMER FISH DOCK AND ICE PLANT: A HUB OF PRODUCTIVITY AND SUPPORT

The Homer Fish Dock and Ice Plant public use facilities built in 1983, have played an important role in the maritime activities of Homer.

Stretching 383 feet, the Fish Dock boasts two 50-foot side berths and is equipped with eight public-use cranes, including two 5-ton and six 2.5-ton cranes, making it a versatile resource for various marine operations. The dock also offers 8,600 cubic feet of bait storage. Open 24/7 throughout the year, the Fish Dock caters to a diverse group. It serves fishermen, fish buyers, charter operators, Cook Inlet Aquaculture, researchers, Cook Inlet Spill Prevention & Response, Inc. (CISPRI), communities without road service, non-profits, government agencies, marine contractors and salvage operations. The dock employs three full-time operators with diverse skill sets.

Homer Fish Dock with Cranes

Maintenance Supervisor Del Masterhan giving a tour of the ice plant to Councilmember Hansen with fish dock operators Japheth McGhee & Tom Gilbert.

At the heart of its operations is the Ice Plant, operational from February through November, and capable of producing 40 tons of ice per day. This ice is sold and delivered to boats, fish processors, and buyers, supporting the needs of the fishing industry. In its 40 years of service, the Ice Plant has supplied nearly 130 thousand tons of Flake Ice.

Our dock and ice plant staff hold many skills that range from Ammonia Refrigeration Engineer/Operator to mechanical, electrical, plumbing, hydraulics, and some IT expertise, making it a comprehensive hub for maritime activities and support in the region.

STUDY UPDATE

At the [January 22 City Council Worksession](#), Ronny McPherson and KC Kent of HDR provided an overview of the Baseline Conditions Report they completed and have submitted to the US Army Corps of Engineers as part of the Homer Harbor General Investigation.

HDR collected new field data and utilized the plethora of existing data along with existing studies to document and create a model of the wave and tidal action, storm surge and sediment transport in the study area.

Understanding the existing ocean and meteorological (or Metocean) conditions is important to the design process. The modelling tool will be used to evaluate the performance of different design option. Taken together with data from the geophysical investigation and environmental review, it allows the project development team to tailor designs to the specific conditions of the proposed site to best meet project objectives.

At the regular meeting on January 22nd, Homer City Council passed two pieces of legislation in support of the Homer Harbor Expansion General Investigation. They unanimously approved [Ordinance 24-05](#), committing additional match funds for the Harbor Expansion Study. Mayor Castner and Councilmembers all expressed commitment to maintaining positive city-state-federal partnerships and the importance of the tasks added to the General Investigation, so we have solid information on which to better evaluate feasibility.

[Resolution 24-012](#) was also adopted, which supports the State of Alaska's continued partnership in the General Investigation and requests funds in the State's FY25 Capital budget to complete the other half of the additional local sponsor match requirement study.

If you missed the Council worksession or the Regular meeting, you can still listen to the meeting or read the minutes on the City's website. [Check it out here.](#)

FIRE DEPARTMENT

PROMOTION CEREMONY

Joe Kahles, Samantha Cunningham, Councilmember Shelly Erickson, Captain Jake Richter, Captain Jaclyn Arndt, Councilmember Caroline Venuti, Chief Mark Kirko

The Homer Volunteer Fire Department (HVFD) celebrated a significant moment with its first promotion ceremony in the history of the department. This ceremony celebrated the promotions of Jaclyn Arndt and Jake Richter to the rank of Captain.

Surrounded by fellow firefighters, family, and friends, the ceremony was led by Chief Kirko who offered words of gratitude and encouragement to the two new Captains. This promotion reflects Jaclyn's and Jake's dedication, hard work, sacrifice, and commitment to the safety and well-being of Homer. We are so proud of you both for this accomplishment!

HVFD EMT 1 CLASS NOW UP AND RUNNING!

2024 EMT I Class

The Homer Volunteer Fire Department started its annual EMT I class in January with ten students! Some are familiar faces who were already essential in our 911 responses at the department last year, and some are brand new, but all of them are enthusiastic about joining our team and running calls with us. Students will spend 160 hours in the classroom and countless more hours on their own study time. They will learn a whole new language, perfect hands-on skills, and learn the steps needed to assess and treat those critically ill and injured. At the same time, they will be learning how the Volunteer Fire Department works and become familiar with the equipment and fleet that we use to take care of Homer. We are looking forward to welcoming students into our volunteer family as they complete their training.

Excerpt by Assistant Chief of EMS Samantha Cunningham

HVFD LADDER TRUCK HAS ARRIVED

HVFD Ladder Truck

A long-awaited ladder truck is a welcome addition to the Homer Volunteer Fire Department (HVFD) fleet. The addition of this truck gives the department the ability to quickly and safely rescue people trapped by fire on elevated floors and assists with reaching windows and roofs faster to create ventilation paths. It also provides the ability to more effectively combat fire in commercial and industrial facilities and can be used in many technical rescue situations by providing safe lifting with anchoring capabilities.

The new Ladder truck is a 1998 E-One with a 100-foot ladder and has a 1,500 Gallons Per Minute (GPM) pump. The elevated waterway is capable of delivering 1,250 GPM. It has seating capacity for 6 firefighters and will carry a host of firefighting and rescue equipment and tools.

The addition of this truck, purchased from the City of Ketchikan, helps ensure that the department can respond promptly and effectively to emergencies, ultimately improving its service to the residents of Homer.

HVFD Ladder Truck Extended

The first successful aerial ladder truck was invented and patented by Daniel D. Hayes in 1868. This horse-drawn truck had a ladder attached that could extend to a height of 85 feet. Four to six men were able to fully extend the ladder in under 40 seconds by turning a crank. It was mounted onto a turntable and could swing to where it was needed.

MITIGATION STRATEGY

Homer's Hazard Mitigation Plan is a blueprint to help make Homer a resilient community. The Mitigation Strategy section identifies key resources, ensuring effective responses to potential hazards.

1. Identification of Resources:

The plan examines human, technical, and financial resources and examines their ability to expand. For example, authorities like the Police Chief and the City of Homer Finance Department play vital roles in providing law enforcement and financial support.

2. National Flood Insurance Program Participation:

Active involvement in this program equips communities like Homer with valuable tools to implement effective floodplain management, reducing flood-related risks.

3. Mitigation Goals:

Goals focus on enhancing climate protection, creating a healthy community, and safeguarding critical facilities against hazards.

4. Recommended Actions:

Tailored actions are recommended, ranging from education and awareness; structure and infrastructure projects; preparedness and response; and local plans and regulations.

5. Prioritized Action Plan:

A strategic sequence for action implementation, prioritized based on urgency and potential impact, ensures efficient hazard mitigation.

6. Plan Integration:

Identifying the items above and integrating them into Homer's relevant plans, policies, and programs is an integral part of decision-making and resource allocation.

Find the Local Hazard Mitigation Plan on the City's website: [City of Homer Local Hazard Mitigation Plan](#)

In this section, we aim to keep readers informed about the latest developments in public safety in the community. Whether it's news about crime prevention, emergency preparedness, or updates on local law enforcement activities, we've got you covered. Our goal is to promote a safe and secure environment for all community members and visitors of Homer, and we believe that staying informed is a crucial part of achieving that. Read on to learn more about what's happening in public safety in Homer.

Winter Driving Tips

1

WARM UP

Warm up your car at least 1 minute before driving to warm up the oil. This will keep your engine running smoothly.

2

Clear snow and ice off windows, mirrors, and lights.

3

Have an emergency kit for the unexpected.

4

Fuel up! Keep gas tank at least half full. If you get stuck, you will want to keep the car running to stay warm.

5

Use headlights to see and be seen! Make sure your bulbs are working.

6

Wear your seatbelt and make sure kids are buckled in too!

7

Keep a safe distance from the car in front of you. At least 3 car lengths.

8

Avoid using cruise control in icy and snowy conditions.

9

Service your car regularly to check oil and fluids.

10

Keep speed slow and steady in snow and icy conditions.

11

Check your tire pressure and tread regularly.

Welcome

January New Hires

The City is delighted to extend a warm welcome to Kaleb and Ed. We are thrilled to have them join the team!

Kaleb Harvey will be attending the Police Academy in Sitka for 17 weeks before starting his position with the Homer Police Department.

Ed Gross, Associate Planner

The Planning Division welcomes **Ed Gross** as full-time Associate Planner. Ed relocated to Homer from Anchorage and has a background in construction and a degree in Landscape Architecture. Most recently he worked as a cost estimator for asphalt and concrete paving companies. Ed will be busy in the coming weeks and months learning the policies and procedures of the Planning Division, with a focus on processing development applications. This comes just in time for the upcoming construction season, the peak time of year for processing zoning permits. Please join us in welcoming Ed to the City of Homer!

DEL WAS ON THE TODAY SHOW!

Barbara and Del Masterhan

In a delightful surprise, our own Del Masterhan, Port Maintenance Supervisor, made a special appearance on the Today Show with his wife, Heather, celebrating her 50th birthday! They even had a snazzy sign representing the 49th state. What a memorable day!

EMPLOYEE HIGH FIVES

Way to go guys! Working hard through the cold weather to keep things safe and everything running smoothly.

How many Harbor Officers does it take to change a light bulb? Harbormaster Matt Clarke was recently called upon to assist a vessel when one of the bulbs heating their engine room burned out. The usual caretakers were out of town, so he stepped in to help keep this vessel warm.
