**NAVIGATE COVID-19 PROTOCOL**

**Tested Positive for COVID-19**

**VACCINATED AND NOT VACCINATED**
- Stay home and away from others for 5 days, even if you do not have symptoms
- Contact your care provider to determine eligibility for treatment options
- Notify people you have been in close contact with
- Monitor symptoms

**AFTER 5 DAYS**
- **SYMPTOM FREE**
  - Continue to wear a mask around others for 5 more days.
- **SYMPTOMS REMAIN**
  - Stay at home until symptoms subside, then continue to wear a mask around others for 5 more days.

**Have Symptoms but Tested Negative for COVID-19**

**VACCINATED AND NOT VACCINATED**
- Stay at home for 5 days
- Test again after 5 days
- Monitor symptoms

**Symptoms may appear 2-14 days after exposure to the virus.**
- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

**AFTER 5 DAYS-TEST AGAIN**
- **COVID-19 POSITIVE TEST**
  - Follow Tested Positive for COVID-19 Guidelines
- **COVID-19 NEGATIVE TEST**
  - Stay at home until symptoms subside, then continue to wear a mask around others for 5 more days.

**Close Contact with a Positive COVID-19 Case**

**NOT VACCINATED OR NOT BOOSTED**
- Booster dose available five months out from Pfizer and Moderna or two months after Janssen vaccines.
- Stay at home for 5 days
- Monitor symptoms
- Get tested 5 days after your exposure or immediately if you develop symptoms.

**VACCINATED AND BOOSTED**
- Wear mask at all times for 10 days
- Monitor symptoms
- Get tested 5 days after your exposure or immediately if you develop symptoms.

**TEST AFTER 5 DAYS**
- **COVID-19 POSITIVE TEST**
  - Developed Symptoms: Follow Have Symptoms but Tested Negative Guidelines.
  - No Symptoms: Continue wearing masks around others for 5 days.
- **COVID-19 NEGATIVE TEST**
  - Follow Tested Positive for COVID-19 Guidelines

**REMEMBER** a positive COVID-19 test result is a positive result, there is no need to test again!
