Join the City of Homer and community partners for a special guest presentation, “Building a Strong Town” by Strong Towns founder Chuck Marohn. Strong Towns advocates for a new way of thinking about the way we build our world, and supports thousands of people across the United States and Canada who are working to make their cities safe, livable, and financially resilient.

We look forward to connecting Marohn and his organization’s experience with Homer residents interested in building a resilient and prosperous community, and to spark conversation and solutions as the City of Homer begins development of a new Comprehensive Plan that will guide our community for the next 10-20 years.
