Homer City Council adopted Ordinance 26-27(A) amending the water and wastewater utility rates for fiscal year 2027. These rates will go into effect the first full billing period in July 2026. The meters aren't read until the 15th of each month. Therefore, the FY27 rates won't go into effect until July 15th, 2026.

Customers won't see this new rate on their bills until the statements issued in August 2026, which covers the usage period from July 15th to August 15, 2026.
