Per Ordinance 23-24, the new water and sewer utility rates went into effect the first full billing period in July 2023. The meters aren't read until the 15th of each month. Therefore, the FY24 rates went into effect on July 15th, 2023.

Customers won't see this new rate on their bills until the statements issued in August 2023, which covers the usage period from July 15th to August 15, 2023.
