Per Ordinance 24-25, the new water and sewer utility rates went into effect the first full billing period in July 2024. The meters aren't read until the 15th of each month. Therefore, the FY25 rates went into effect on July 15th, 2024.

Customers won't see this new rate on their bills until the statements issued in August 2024, which covers the usage period from July 15th to August 15, 2024.
