Per Ordinance 26-27(A), the new water and wastewater utility rates went into effect the first full billing period in July 2026. The meters aren't read until the 15th of each month. Therefore, the FY27 rates went into effect on July 15th, 2026.

Customers won't see this new rate on their bills until the statements issued in August 2026, which covers the usage period from July 15th to August 15, 2026.
