

#1

**Book = 20 minutes of reading / Star = a 20+ minute activity**

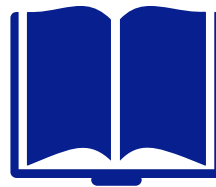

If you are 11 or under, cross off a book when you read or a star when you complete a learning activity. Complete this chart and claim your prize at the library. Read or do an activity together, and everyone can count the time! Complete all 5 charts to be entered to win a grand prize awarded on July 31st.

## Learning Activity Suggestions

- **Play at the Playground:** Climb, slide and swing at Karen Hornaday Park or other outdoor playspace.
- **Make a New Recipe:** Cook, BBQ, bake or chop a meal. The library has lots of cookbooks & food magazines for the whole family.
- **Write or Draw a Story:** Using paper or a digital tool, write or draw about a summer adventure.
- **Go Fishing:** Catch fish wherever your family fishes, for fun, for subsistence or commercially. Alaska Fish & Game hosts free fishing days for kids at the Lagoon on 6/1 and 8/3. Some equipment provided.
- **Program an Ozobot:** Check out a library Ozobot (a tiny robot) and learn to code using color.
- **Read More:** Enjoy a nonfiction book about planets, the solar system, or space travel.
