#### REPORTS

A. Library Director Report

Library Director Dixon reviewed the 2018 library statistics, provided as a laydown. She requested from Deputy City Clerk Tussey that last year's statistics be included in each packet. Ms. Dixon reported and facilitated discussion on the following topics:

- Art in the Library Applications due October 8<sup>th</sup> with a selection meeting on October 16, 2018
- Old artwork in library storage Determining a plan on what to do with it
- Budget requests submitted to City Manager for books and replacement of security cameras
- Business Survey results are in 40 respondents, in the process of analyzing the results

Boardmember Kuszmaul arrived at 5:40 p.m.

Ms. Dixon continued summarizing her report. There had been a written request for the library to be open on Sundays, which prompted re-evaluating the library's hours of operation and could possibly lead to an increase in hours. She noted a few staff changes and that the Library Technician I position is currently being advertised. Ms. Dixon also shared with the board that she will be retiring the end of next April. Discussion ensued on the hiring process, having a LAB member on the interview committee, hiring out nationally vs. locally, and the job description.

There was brief discussion on upcoming library events, including a candidate forum and the Friends of the Homer Library Book and Plant Sale.

B. Friends of the Library

#### **PUBLIC HEARING**

#### **PENDING BUSINESS**

#### **NEW BUSINESS**

A. Planning for Christmas Giving Tree

Chair Peterson initiated discussion with a suggestion that the board call it the "Giving Tree" rather than a "Christmas Giving Tree" to ensure it's inclusive to all faiths around the holidays. The board concurred. She then presented a sample of what she had in mind for the tags that will hang on the tree, to help update the gift tag process. There was discussion on the process overall, reviewing how it had been done in the past and what would be the same or different this year.

Boardmember Springer posed the question if the book had to be purchased from The Bookstore, or if it can be purchased elsewhere or brought in from personal collections. There was deliberation about exclusively using The Bookstore for the following reasons:

- The program is a partnership with The Bookstore; supports a local business vs buying online
- They offer decent discounts for the books; about 20%
- They maintain the list of which gift tags have been taken
- Other local bookstores are either "vanity" stores or specialize in used books

Boardmember Fair left the meeting at 5:59 p.m.

Discussion continued on the Giving Tree process on the following points:

• Pricing Points – Ensuring there's enough in the lower ranges; prices provided by The Bookstore;

- Selecting Books Library staff oversees selecting books from their areas of expertise (fiction, children, etc.);
- Tag Design Reusable, decorated plastic tags; Chair Peterson volunteered to make up the tags and gift book slips that go in them;
- Scheduling/Timeframe Suggested start-date within the second week of December, no later than December 8<sup>th</sup>; mainly determined on when trees are available from SBS;
- Advertising/PR Promotions in the newspaper and/or radio; Boardmember Kuszmaul volunteered to oversee PR and compiling a newspaper piece that highlights the partnership between the library, Spenard Builders Supply, and The Bookstore.
- B. Fee Schedule Review

There was questions and discussion on the fee schedule and the proposed changes. Library Director Dixon explained how library staff had reviewed their fee schedule and noted some items needing revision, such as:

- Overdue Items/Digtal Devices
- Bill Notice/Maximum Overdue Charge per Item
- Replacement/Repair of Items for Alaskana Lost Out-of-Print Items
- Replacement/Repair of Items for Non-Fiction and Fiction Lost Out-of-Print Items

FINN/MASSION MOVED TO RECOMMEND TO CITY COUNCIL TO APPROVE THE PROPOSED AMENDMENTS TO THE LIBRARY'S FEE SHCEDULE.

There was no further discussion.

VOTE. NON-OBJECTION. UNANIMOUS CONSENT.

Motion carried.

#### INFORMATIONAL ITEMS

- A. September Statistical Report *Laydown*
- B. Mayoral Recognition for Keegan Partridge Eagle Scout Project
- C. Boardmember Attendance at City Council Meetings 2018

Chair Peterson reiterated the board's request to have 2017's statistics in the packet for comparison and noted the recognition of Keegan Partridge for his Eagle Scout story trail project.

Boardmember Massion agreed to attend the remaining 2018 meetings. He shared that he will be missing the January/February 2019 meetings if another boardmember would like to attend those council meetings. Boardmember Kuszmaul opined that it would be a good opportunity for Student Representative Benedetti to give one of the LAB's reports at a City Council meeting. Mr. Benedetti shared his interest in attending, possibly with Mr. Massion. Ms. Kuszmaul further suggested to Mr. Benedetti if there was something in particular, or goals, he had in mind for working on the Library Advisory Board as the student representative, that he was welcome to report on those at the meetings.

#### COMMENTS OF THE AUDIENCE

#### COMMENTS OF THE CITY STAFF

Library Director Dixon had no further comments.

Boardmember Kuszmaul noted that she will not be here for the November 6, 2018 meeting. There was brief discussion on meeting attendance; Chair Peterson stated that she will not be here for the December 4, 2018 meeting so Ms. Kuszmaul would oversee chair duties and assisting staff with planning the agenda. Ms. Kuszmaul also shared that while her family was visiting from Wasilla they went to the library and voiced how much they loved the Homer Library.

Boardmember Massion and Student Representative Benedetti had no further comments.

Homer Public Library Director's Report October 31, 2018

#### Meetings in September

Department Heads - 1 Friends of Homer Library - 1 Staff - 1 Art Installation Planning - 1 Alaska Books for Alaska's Kids - 1 Alaska Public Media Board Representative - 1 Library Advisory Board -- 1 Small Business Grant - 1 Homer Early Childhood Coalition - 1 Art Committee - 1 Savanna Bradley, Pratt Museum - 1

#### **Issues of Interest**

City Council approved the donation of Argent Kvasnikoff's art for the library. After consulting with Scott Bartlett from the Pratt Museum and Mike Riley from Maintenance, we've chosen a location. I hope to install the piece in the next month.

Council also approved a long-awaited change in personnel regulations that improves benefits for permanent part-time employees (we have three at the library). Now they no longer have to wait 5 years to receive prorated sick leave, personal leave, and holiday pay. We're grateful for our current employees to finally be recognized in this way and also for improving our ability to attract and retain excellent employees.

Due to the consistently large groups (30-60) at Small Fry Storytime (ages 0-2) on Thursdays, Youth Services Librarian Claudia Haines is adding a second session on Mondays at 11 AM in November. We are now providing four story times per week.

The Guardian carried an interesting report that links the number of books in the home by country to improvement in educational outcomes. You'll be surprised who comes in #1 (not the US). <u>https://www.theguardian.com/books/2018/oct/12/the-more-books-in-a-house-the-brighter-your-childs-future-study-finds?CMP=fb\_gu</u>

#### Behind the Scenes

A summary of results from our business survey is attached. Mike Haines has offered to consult with me about ideas for improving service to the business community based on this information.

I attended DirLead and came away with new ideas for leadership, as well as information about other public libraries in the state and networking with their directors. I also attended a webinar on Newsguard, a website that evaluates other websites for information accuracy based on objective criteria. It's an interesting tool for assessing "fake news" and expanding information literacy.

In addition to a lot of meetings this month, I spent much of my time preparing for the staff changes involved with Debbie Waldorf's upcoming retirement: reviewing applications and interviewing applicants; reconfiguring staff duties; and working with Amy Gordon on a major overhaul of the desk schedule. I also met with Savanna Bradley about a grant she is working on for the Pratt Museum to digitize a special

collection of local maps, including a potential partnership with the library to allow wider public access to the collection.

#### <u>Staff</u>

Our two catalogers, Amy Gordon and David Bernard, are taking some advanced training modules, available online, to improve their cataloging skills.

Staff continues training on homelessness, grant-funded by the Alaska State Library.

Debbie Waldorf's last work day is Saturday November 3. The library is hosting an open house in her honor on Friday November 2 from noon-2 for City staff, library volunteers, and LAB members. Please join us!

#### Facility

Our new LED "Open" sign is up. I like its visibility from a distance, especially with darker days coming. Thanks to Maintenance for wiring and hanging it properly.

# Coordínator's Corner

Another Fall Book and Plant Sale has been completed! Over 700 people passed through the library doors and we raised \$2,500. Additionally, our Pick-Click-Give donations came in totaling over \$2,000. These funds will be used to support library programs and services. We deeply appreciate all that you give: your financial contributions, the time you donate when you volunteer, and

moreover, how much you value your library. You help FHL fulfill our mission to provide volunteer support for library programs and services, to raise funds that enrich the library experience, and to promote the use and enjoyment of the library. We would also like to thank the library staff, without whom the many presentations, programs, and events that you enjoy would not be possible. Keeping a library going is a community effort, and we are so fortunate to have your support.

When you see a news feed or do a search for news or information online, all you see is a headline. You don't know if the people behind the headline are credible publishers or a group with some hidden agenda.

Do they work for a foreign government or some political group? Do they work for some company trying to get you to buy a drug or support a cause that will enrich them?

NewsGuard—a group of experienced journalists with diverse backgrounds—believes that whether you're a student doing a term paper or a voter concerned about Medicare, you should know who and what's behind what you're seeing online, just the way you want to know what you're eating before you take a bite or pass the plate on to a friend.

In cooperation with libraries across the country, NewsGuard is making it possible for you to see its RED or GREEN ratings of the reliability of thousands of websites—and to read a NewsGuard "Nutrition Label" for each of them that explains who and what's behind what you're about to read and exactly why it received a GREEN rating or a RED, which means proceed with caution.

Many libraries now include the NewsGuard browser extension on the computers used by library patrons. And if you have your own computer, you can also add NewsGuard's ratings and reviews.

### YOUR LIBRARY AND NEWSGUARD ARE GIVING YOU A BROWSER EXTENSION SO THAT YOU KNOW WHAT YOU'RE READING

It's all free. And, no, we don't collect any personal information about you or push any advertising at you. Our revenue will come from the search engines and social platforms paying to use our ratings and Nutrition Labels in their news feeds and search results later this year.

But until they do, your library and NewsGuard are offering a way for you to get them right now.

In addition to accessing NewsGuard on library computers, you can add NewsGuard to your home computer. Just go to our website, newsguardtech.com, and you will see how to add the NewsGuard browser extension, whether you are using the Chrome browser or the Edge browser. The REDS and GREENS will appear on your Facebook and Twitter feeds and your Google and Bing searches on your laptop or desktop. (This will not work for mobile devices until the digital platforms load NewsGuard ratings and Nutrition Labels from their end.)

Before you do that, you might want to know more about us. So, for more information about NewsGuard—including who we are and how we make our decisions, and our dedication to total transparency and accountability—go to newsguardtech.com.

We hope you'll agree that what we're doing is important. And that we're doing it the right way.

This free news literacy browser extension is made possible in part by support from Microsoft Corp.
