Memorandum

TO: MAYOR CASTNER & HOMER CITY COUNCIL

THROUGH: RACHEL TUSSEY, DEPUTY CITY CLERK

FROM: PORT AND HARBOR ADVISORY COMMISSION

DATE: JULY 31, 2019

SUBJECT: ORDINANCE 19-19(S) EXTRA TERRITORIAL WATER

At their regular meeting on July 24, 2019, the Port and Harbor Advisory Commission reviewed Ordinance 19-19(S) regarding extra territorial water and City Council's request for feedback. The excerpt from the meeting minutes is as follows:

“Chair Zimmerman introduced the agenda item and opened the floor for discussion regarding Councilmember Aderhold's request in her memo for the Port and Harbor Commission to evaluate the risks of water intensive businesses, such as fish processing, which might interfere with our revenue generating on the Spit.

The commissioners discussed City Council's reasoning for having the commission review the ordinance and how they could weigh in on the issue. Chair Zimmerman clarified what was being asked of them from the City Council, and asked the commission if they had any recommendations they wanted to share with Council.

The commission mutually agreed they did not have any input or recommendations to City Council regarding Ordinance 19-19(S).”
