

Resolution 25-075, A Resolution of the City Council of Homer, Alaska Approving a Services Agreement between the City of Homer and the City of Kachemak for Emergency Fire, Rescue, Haz-Mat, and Emergency Medical Services and Authorizes the City Manager to Negotiate and Execute the Agreement. City Manager.

Item Type: Backup Memorandum

Prepared For: Mayor Lord and Homer City Council

Date: August 20, 2025

From: Melissa Jacobsen, City Manager

The Cities of Homer and Kachemak have worked together for many years through an intergovernmental agreement and vehicle lease to provide emergency services to the City of Kachemak.

When this relationship began, the City of Kachemak had a refurbished tanker housed in their fire station and no fire department to provide service, and the City of Homer had an established fire department and the ability to provide service to both cities. The cities developed an intergovernmental agreement for the City of Homer to provide emergency services in exchange for use of their tanker and 1 mil of City of Kachemak property tax equivalent.

The City of Kachemak purchased a 2024 Pierce Enforcer Tanker at the same time the City of Homer purchased theirs, causing us to update our intergovernmental agreement and tanker lease agreement that were approved with Resolution 14-007.

Both cities wish to continue this relationship and update the necessary agreements. In working with the City Attorney, we developed the newly titled Services Agreement between the City of Homer and the City of Kachemak for Emergency Fire, Rescue, Haz-Mat, and Emergency Medical Services that includes more modern language and incorporates the vehicle lease so there is one document to manage.

The City of Kachemak has reviewed and approved the agreement.

RECOMMENDATION:

August 25, 2025

Adopt a resolution approving the Services Agreement between the City of Homer and the City of Kachemak for Emergency Fire, Rescue, Haz-Mat, and Emergency Medical Services and authorize the City Manager to negotiate and execute the agreement.
