Your application is now considered complete and will be sent electronically to the local governing body(s), your community council, if your proposed premises are in Anchorage or certain locations in the Matanuska-

Susitna Borough, and to any non-profit agencies who have requested notification of applications. The local governing body(s) will have 60 days to protest the renewal of your license.

Your application will be scheduled for the **December 2nd, 2025** board meeting for Alcoholic Beverage Control Board consideration. The address and call-in number for the meeting will be posted on our home page. The board will not grant or deny your application at the meeting unless your local government waives its right to protest per AS 04.11.480(a).

A protest received after the 60-day period may not be accepted by the board, and in no event may a protest cause the board to reconsider an approved renewal, relocation, or transfer.

To protest any application(s) referenced above, please submit your written protest for each within 60 days to AMCO and provide proof of service upon the applicant and proof that the applicant has had a reasonable opportunity to defend the application before the meeting of the local governing body. Alaska Alcoholic Beverage Control Board

Form AB-29: Waiver of Operation Application

Why is this form needed?

This form is the means by which a licensee may request that the Alcoholic Beverage Control (ABC) Board waive the operating requirement of AS 04.11.330(a)(3) or (d). If a recreational site license has not been operated at least once in a calendar year, or if a license of any other type has not been operated for at least 240 hours in each calendar year, then a complete copy of this form and the corresponding fees must be submitted for that calendar year, per 3 AAC 304.170.

This application must be accompanied by a non-refundable waiver application fee of:

- for a 1st request, an amount equal to $\frac{1}{2}$ the applicable biennial license fee; or
- for a 2nd or subsequent request, double the amount of the fee paid for the previous waiver application.

The ABC Board will determine whether, through no fault of the licensee or because the premises are under construction, the licensed premises count not be operated for the required time during the calendar year. The ABC Board may impose conditions along with the approval of an application for waiver, and it may deny a third or subsequent application for waiver. If an application for waiver is denied, an application for license renewal for the succeeding license period will be denied by the Board. In addition to the waiver application fee, the applicant must pay a late fee of \$1,000 for an application that is received too late for Board consideration at its meeting before November 30 of the year for which the waiver is requested. Please check AMCO's website for meeting agenda deadlines.

Please note that a licensee must submit a separate completed copy of this form and pay a separate corresponding fee for each license and for each calendar year during which a license was not operated in compliance with AS 04.11.330.
