CHAPTER THREE

RECRUITMENT, APPLICATION, SELECTION, APPOINTMENTS

3.1 Job Announcements and Publicity. The Personnel Director shall post public notice of all vacancies for full and part-time positions online and on bulletin boards within City departments and shall post the notice twice in a newspaper of general circulation in the community. The notice requirement may be waived if the same or a similar position was vacant no more than one year prior to the current vacancy. Announcements for temporary or casual positions may be publicized in whatever manner deemed appropriate by the Personnel Director. Job announcements shall state position title, description of position, list of skills, knowledge and ability required for position, application deadline, place to file application, salary range, whether the position is exempt from overtime pay and the city's status as an equal opportunity employer. The notice shall also identify any testing required for the posted position. Application deadlines will close five working days after the second advertisement date in a newspaper of general circulation in the community. In the interest of personnel management the City Manager has the right to transfer employees to departments with open positions without advertising the position.

3.2 Application for Employment. The Personnel Office will only accept applications for open positions where recruitment is ongoing to fill the position. The City of Homer does not accept unsolicited applications and/or resumes. The application form by which a person applies for a position with the City shall be provided by and filed with the Personnel Office.

3.3 Child Labor. The minimum age and permitted hours for City employment shall be in accordance with federal and state law. Persons under eighteen years old may not be employed in hazardous positions.

3.4 Selection Devices. Various selection devices may be used to obtain qualified candidates for a position, including, but not limited to work samples, performance tests, written tests, oral board reviews, background and reference inquiries, and evaluation of training and experience. Prior to offering employment supervisors are required to obtain references and complete background checks as necessary for the position. All references and background information should be attached to the employee's application and submitted to the Personnel Office.

3.5 Position Appointments. Appointments are made by the Department Director in consultation with the immediate supervisor and subject to final approval by the City Manager.

3.6 Intradepartmental Promotions. Employees may be promoted within their respective department upon recommendation of the Department Director provided the employee possesses the qualifications of the position to which they are being promoted. The external advertising requirements of Section 3.1 may be waived for any open position which is filled by an intradepartmental promotion. The promotional probationary period may be waived on full-time employees and all benefits will continue to accrue at previous rates. Generally, the employee will begin at a minimum of Step B, defined in Chapter 5 of these Regulations, of the new pay range,

but may be compensated at a higher level depending on experience and training. In no case shall an employee be paid less than the amount equivalent to one step above their previous salary step.

3.7 Intradepartmental Transfers. Employees may be transferred within their respective departments upon recommendation of the Department Director provided the employee possesses the qualifications of the position to which they are being transferred. The transfer probationary period may be waived at the discretion of the Department Director and all benefits will continue to accrue.

3.8 Interdepartmental Transfers or Promotions. Employees may be transferred or promoted to a different department within the City by applying for consideration when a position is announced. The transfer shall be considered a new appointment within the pay range assigned to the position and probationary period may be waived at the discretion of the Department Director. No loss of employee benefits based on longevity will occur.

3.9 Emergency Appointments. In an emergency that threatens life or property, the Department Director with City Manager approval may, without complying with the provisions of the Personnel Regulations concerning appointments, employ, for not more than thirty (30) calendar days, such persons as are necessary to meet the emergency.

3.10 Temporary Appointments. In cases of special projects, seasonal activities or other situations necessitating employment for six months or less, the Department Director with Personnel Director approval may make a temporary appointment. Upon Personnel Director approval temporary appointed employees returning to employment after two consecutive seasons with at least 1040 hours in the same or like position with the City may be given a step increase within the particular pay range established for the position. Temporary appointed employees shall not receive leave accrual, shift differential or other benefits. No temporary appointed employee shall remain on temporary status for a period of longer than six consecutive months without approval of the City Manager. Temporary appointed employees are at will employees.

3.11 Casual Appointments. Casual appointments are made when the need for an employee's services is on an intermittent as needed basis over a longer period of time. Employees who have been casually appointed are at will. These casual appointed employees shall not receive leave accrual, shift differential or other benefits.

3.12 Casual Jail Officer Appointments. Casual Jail Officer appointments are made when the need for an employee's services is on a regular basis, but hours are not on a regular and continuing schedule of 20, 24 or 28 hours per work week. A Casual Jail Officer can work more than 30 hours in one week to cover the standard jail schedule shifts, but will not work more than 60 hours in any two-week period.

3.13 Part-Time Appointments. Part-time appointed employees are hired to work on a regular and continuing schedule of 20, 24 or 28 hours per work week. When a part-time employee is

made a full-time employee without a break in service, credit shall be given for the service when computing duration of probation only. For purposes of calculating benefits, the part-time appointed employee's date of hire date will be the day the employee accepted a full-time position.

3.14 Employment of Relatives.

3.14.1 For purposes of this chapter, "family member" means the spouse of the employee; a life partner or person cohabitating with the employee; a child, including a stepchild and/or an adopted child of the employee; a parent, step-parent, sibling, or grandparent of the employee or a parent or sibling of the employees' spouse.

3.14.2 The City will not hire or promote a full or part-time employee into a position where the employee will report to, be supervised by, audited by, or work in the same department with a family member.

3.14.3 If two employees working in the same department or in a supervisory/subordinate capacity become family members the City may permit one of the employees to transfer to another department where neither employee supervises, reports to or audits the other employee and the employees do not report directly to the same supervisor if a position is available. This provision permits the City Manager to supervise family members who report directly to the City Manager; provided the employees are in different departments. If a transfer cannot be accomplished the City must terminate the employment of one of the employees. The City Manager shall determine which employee to terminate based upon the needs of the City.

3.14.4 Temporary employees may be employed within the same department as a family member so long as neither employee reports to, is supervised or audited by the other and the employees do not report directly to the same supervisor.

CHAPTER FOUR

POSITION CLASSIFICATION

4.1 Definition. All full and part-time positions in the City are evaluated based on the nature of the position, assigned a total points value based on the evaluation, and assigned a salary range based on the points value. This valuation system is the City's Position Classification System. The purpose of classifying positions is to provide an effective tool for personnel management such as:

- 4.1.1** Staffing levels and budgeting
- 4.1.2** Establishing fair and equitable pay
- 4.1.3** Establishing job performance standards

4.2 Position Classification System.

4.2.1 Internal Parity. In order to assure internal parity within the Position Classification System, the following procedure may be completed at a minimum of once a year for each full-time position or every 2080 hours for each part-time position:

4.2.1.1 The employee and their immediate supervisor compare the employee's job description with the actual duties performed by the employee. Differences between assigned duties and description shall be reported to the Department Director.

4.2.1.2 The Department Director evaluates reports and either changes employee assigned duties to conform to the job as described or amends the job description to reflect employee's assigned duties. All amended job descriptions shall be reviewed by the Personnel Director. If the job description has significant changes, the Personnel Director and two Department Directors will review the position and reclassify it, if necessary.

4.2.1.3 An amended job description must be reviewed and approved by the City Manager who may require such backup materials as needed to justify the change.

4.2.2 External Parity. It is the policy of the City to pay salaries and wages competitive with salaries and wages for comparable work and responsibilities in and outside municipal government. External wage parity will only be used as an overall guide for pay purposes and will not be the basis for determining individual salaries or cost of living increases on a yearly basis. The Personnel Director shall review the Position Classification System no less than every five years. A report of findings shall be submitted to the City Manager for review. The City Manager shall provide a report and recommendations to the City Council.

4.3 Job Description/Specifications. Common qualifications such as the responsibilities listed in Section 2.4 of these Regulations shall be required for each position even though such traits may not be specifically mentioned in the specifications. The listing of major job functions or activities will not be considered all inclusive. Employees may be assigned specific duties in addition to or in place of those duties listed on their job description. Each position shall have a job description/specification which includes:

4.3.1 An appropriate title

4.3.2 A general statement of functions

4.3.3 A listing of major job functions/activities

4.3.4 Required skills, knowledge, and abilities

4.3.5 A statement as to whether the position has supervisory authority

4.3.6 External visibility/contact

4.3.7 Working conditions

4.3.8 A statement as to whether the position is exempt from the payment of overtime pay

4.3.9 A statement as to whether the position is full-time. Full-time positions are hired to work a predetermined schedule of 40 hours or more per workweek

4.3.10 A statement as to whether the position is part-time. Part-time positions are hired to work a predetermined schedule of 20, 24 or 28 hours per workweek.

4.4 New Positions. Requests for new positions are directed to the City Manager during the budget process with accompanying verification of need, recommended job description and specifications. The City Manager may authorize the filling of a new position subject to budgetary appropriations by the City Council.

4.5 Position Reclassification - Upgrade. A position may be reclassified when additional duties and responsibilities have been assumed by the incumbent or additional duties and responsibilities are assigned to the position. Position reclassification requests are directed to the Personnel Director for review and refactoring. If the additional duties and responsibilities are substantially different from those currently performed, the Department Director may authorize advertising the position. Any reclassification is dependent upon sufficient department budget for approval. In no case shall an employee be paid less than the amount equivalent to one step above their previous salary step.

4.6 Position Reclassification - Downgrade. A position may be reclassified to a lower range if the responsibilities of the job are determined to be less than originally indicated, or if certain responsibilities are removed from the job. The Department Director may fill the reclassified position in a manner deemed appropriate. If an incumbent employee fills the job which has been downgraded they shall not be paid less than their present salary, but their salary will not be increased until the salary at the new level has met or exceeded their present salary. Downgrade reclassification shall not be considered a demotion.

4.7 Position Change. A position may be changed when, in the opinion of the Department Director, the responsibilities of a position change sufficiently to require a new job title, job description, or specifications. The Department Director may fill the new position in a manner deemed appropriate to the situation. If an incumbent in the old position is qualified and capable of performing the new job, the Department Director may allow the incumbent to remain in the changed position. Incumbents in the new position will not lose any benefits accrued but will be paid within the salary range of the new position.

4.8 Reassignment Pay. Pay for an employee who has been reclassified, transferred, promoted or in any other way had their position changed, shall be determined at the time of such reassignment with due consideration being given to the past service of the employee and the needs of the City.

CHAPTER FIVE

SALARY ADMINISTRATION

5.1 Schedule Revisions. Revisions and amendments to the salary schedule are recommended to the City Council by the City Manager and shall become effective by adoption of the budget by Council. The City Manager may:

5.1.1 Compare salary rates, compensation policies and personnel development of the City's positions and those of like positions of employers in the community and other municipal governments as per Section 4.2.2.

5.1.2 As budget allows, at least once a year determine the increase or decrease in the Anchorage Consumer Price Index and base a cost of living adjustment on some percentage of the officially published increase or decrease in that index, exclusive of the medical portion.

5.1.3 Examine the salary schedule, including the salary ranges and salary steps within a range to ascertain if adjustments should be made.

5.1.4 Based upon the above, submit to the City Council recommendations for amendment of the salary schedule.

5.2 Appointee Pay. New employees shall receive the salary assigned a Step A in the range assigned to the position when the new employee possesses the minimum required skills, knowledge and abilities. When in the opinion of the Department Director, the new employee possesses more than the minimum skills, knowledge and abilities required for the position, the employee may be assigned to a pay step above Step A in the range assigned to that position. The starting pay step for any new employee shall not affect the length of the employee's initial probation period.

5.3 Pay Increases. Employees may receive pay increases based on merit. Such merit increases shall be recommended and approved by the Department Director and City Manager based on a written performance evaluation. Pay increases will be made at the beginning of the pay period. An employee is not eligible for a pay increase as the result of any interim evaluation during the probationary period. Evaluations are regularly performed once a year, at the end of the initial, transfer or promotional probationary period, or when deemed appropriate by the Department Director. Usual compensation advancement will apply as follows, assuming continuous service and satisfactory performance:

5.3.1 Step A - Entry level; Employees remain at a Step A or their initial starting Step salary for their probationary period except as otherwise provided in this section.

5.3.2 Step B – Employees advance to a Step B or receive a one step increase based upon

satisfactory completion of their probationary period except as otherwise provided in this section. Employees shall remain at this level one year. Police service employees are placed on a one year probationary period and are eligible for a step increase after the satisfactory completion of the employee's six and twelve month probationary period.

5.3.3 Steps C through O - Further advancement is generally dependent upon above satisfactory performance, with an overall rating of "Good." This indicates the employee more than fulfills essential requirements of the position, for at least one year from the anniversary date in the position at each salary step. An employee may be advanced an additional salary step if the Department Director and City Manager determine the employee's performance has been vastly superior and has exceeded the requirements for the position.

5.4 Anniversary Date. An employee's Anniversary Date is one year following satisfactory completion of the initial, promotional or transfer probationary period for the position currently assigned. A police service employee's Anniversary Date is one year following the satisfactory completion of the employee's six month probationary period.

5.5 Pay Day. Generally, employees shall be paid for a fourteen day work period every other Friday on the Friday following the end of the pay period. Pay checks will be available after 8:00 a.m. in the Finance Office. If the payday falls on a holiday, pay checks will be available in the Finance Office the day preceding the holiday.

5.5.1 Emergency Pay Check. Pay check dispersal by other than the above listed procedure may be permitted for hardship or emergency reasons if approved by the Department Director and the Finance Director.

5.5.2 Final Pay Check. Upon voluntary resignation, the final pay check will be available within three working days following the effective date of resignation. Final pay checks will be available within one working day when employment is involuntarily terminated. Check availability is dependent on prompt submission of time sheets to payroll.

Any continuous shift with at least half of the hours in a higher shift rate shall have the entire shift paid at the appropriate higher shift rate. Shift differential shall be calculated as part of an employee's hourly rate of pay for overtime compensation purposes. All shifts should be scheduled so that each employee works 80 hours within each pay period. Shift differential shall not be paid for any non "working" hours. Fire Department Emergency Services personnel on a fourteen day work schedule will not receive shift differential.

Work hours are hours an employee actually works and also include compensatory hours. Hours that are not worked such as holiday pay or any type of leave hours are not counted as hours worked for overtime calculation purposes. If an employee is scheduled to work on a recognized holiday only the actual hours worked will be counted for the purposes of overtime calculation. The eight hours holiday pay received while working on the holiday will not be included in the overtime calculation. Overtime is approved through the budget process and reported through monthly reports to the City Manager from the Finance Department. The supervisor may suggest that an employee substitute for another, but the employee is free to refuse.

5.9.3 Exempt Employees. Exempt employees are not eligible to receive overtime pay unless overtime hours worked are to fill in for an absent non-exempt subordinate and approved in advance by the Department Director or City Manager. Employees should

check their job description to determine whether their positions are considered exempt from overtime payment.

On-call personnel called in for unscheduled work on a holiday will be compensated at double the hourly rate of pay, including the appropriate shift pay.

5.11 Compensatory Time. Compensatory time may be given in lieu of overtime pay for non-exempt employees if an agreement or understanding has been arrived at with the employee prior to the performance of work. Each one hour of overtime is converted to 1½ hours of compensatory time and when used is paid at the employees hourly rate of pay excluding shift differential. Employees can accrue up to a maximum of 40 hours at any one time but cannot accrue more than 80 hours total per calendar year. An employee who has accrued the maximum number of compensatory hours shall be paid overtime compensation in cash for any additional overtime hours worked.

An employee shall be permitted to use accrued compensatory time within a reasonable period after it is requested as long as doing so will not unduly disrupt the employee's department. Requests for compensatory time off of more than one day require written advance approval from the employee's supervisor. Department Directors shall approve or deny requests within two working days. An employee who has accrued compensatory time off shall, upon termination of employment, be paid for the unused compensatory time at a rate of compensation not less than the average rate received by the employee during the last three years of employee's employment, or the final rate received by the employee, whichever is higher.

5.11.1 Emergency Services Personnel. Compensatory time may also be given in lieu of the hourly rate of pay for Emergency Services Personnel at the rate of one hour for each hour worked on the 207(k) schedule for hours worked up to 106 within a fourteen day work period. Hours worked over 106 in a fourteen day work period will be at the rate of 1½ for each hour worked if an agreement or understanding has been arrived at with the employee prior to performance of work.

5.12 Work Call Back. Employees should note call back (CB) on their timesheet to be paid overtime. This regulation does not apply to employees that are scheduled to be On-Call as defined in section 5.14 of these Regulations or Fire Department Emergency Services personnel.

5.13 Two Hour Minimum Call Out. Employees called back for unscheduled work shall be paid a minimum of two hours overtime pay. This does not apply to overtime hours worked immediately prior to, or after, normal working hours or for employees scheduled to attend evening or weekend meetings.

5.14 On-Call Pay. All full-time employees that are required to be on call shall be compensated at the rate of \$3.00 per hour for all on-call hours outside of work hours. On-call compensation received shall be calculated as part of the employee's hourly rate of pay for overtime compensation purposes. On-call employees that are called back for unscheduled work after completing their work day shall be paid a minimum of two hours pay at their hourly overtime rate. On-call employees scheduled to work weekend hours outside their normal work week will be paid overtime regardless of the number of hours worked during the workweek. On-call employees should not be on leave or take leave during scheduled on-call periods and should not consume alcohol or drugs while on-call. The on-call duty definition does not pertain to Fire Department personnel when they are not required to be accessible for work assignment.

5.15 Temporary Assignment Pay. Employees temporarily assigned to a position with a higher pay range and where the employee will be assuming all of the job duties for that position, for a period of five consecutive days or more, shall be paid at the first step of the higher pay range or they shall be granted a two step pay increase, whichever is higher for the full period worked in the temporary assignment. It is the responsibility of the Department Director to notify the Personnel Director of the assignment dates. An employee who is assigned to a position with a lower pay range for any period shall not receive a reduction in pay unless the assignment is due to a demotion or in lieu of lay off. Non-exempt employees temporarily assigned to an exempt position shall be eligible for overtime compensation for overtime hours associated with their non-exempt duties.

5.16 Training and Travel Time. The Department Director may, as opportunities and budget allow, approve training programs for employees. Programs may include lecture courses, demonstrations, seminars, workshops and courses sponsored in the employee's field by outside

organizations, and whatever is conducive to improved effectiveness and broader knowledge on the part of the employees of the City.

While attending training, work schedules shall be from 8:00 a.m. to 5:00 p.m. Monday through Friday. Exceptions may be made due to different types of training. Department Director's and supervisors should adjust employee work schedules to accommodate training and to reduce the amount of overtime, if any, required for travel and training. Training and travel hours should be noted on the timesheet. Public Safety and other employees attending extended training or the police academy may have their hourly rate adjusted to accommodate longer training hours but in no case shall wages be less than the employee's weekly wage. Employees traveling out of town for training courses shall be paid at least eight hours per day for training time unless they will be traveling on a training day. If traveling on training day actual training hours and travel time should be designated on the timesheet.

5.16.1 Same Day Training. Full and part-time employees required to attend training programs during normal working hours shall be paid their hourly rate of pay for all hours of actual training plus travel expenses based on the City of Homer Procurement Policy and Procedures Manual. Shift differential will not be paid for training wages or travel time. An employee sent out of town for one day is not paid for time spent traveling from employee's residence (home, hotel, etc) to the airport or vice versa. The employee must be paid for all other travel time (except meal breaks ½ hour or longer). Travel and training over eight hours will be paid at the overtime rate. Travel time will be paid according to the following;

1. Compensable time:
 - a. Time spent traveling, as a driver or passenger.

Full and part-time employees required to attend training more than one day or to stay overnight for training shall be paid their hourly rate of pay for all hours of actual training plus travel expenses based on the City of Homer Procurement Policy and Procedures Manual. Shift differential will not be paid for training wages or travel time. When an employee travels overnight on business they must be paid for time spent traveling (except meal breaks ½ hour or longer) during their normal working hours on their non-work days as well as work days. An employee traveling overnight is not paid for time spent traveling from the employee's residence (home, hotel, etc) to the airport or vice versa. Travel time will be paid according to the following:

1. Compensable time:
 - a. Time spent traveling as a passenger, during work hours on any day.
 - b. Time spent picking up or arranging for the shipment or transportation of city equipment.

- c. Time spent traveling as a driver.
- d. Flight delay which requires remaining at the airport.
- e. Time spent traveling overnight **before or after** working hours will be compensable at employee's hourly rate of pay regardless of how many hours are traveled in a day. (Overnight travel time outside an employees work schedule is not considered work time according to the Fair Labor Standards Act but City policy will pay travel time outside of normal working hours at employee's hourly rate of pay.) Travel time hours must be documented and will not be counted as hours worked towards overtime calculations.

5.16.3 Upon approval of the Department Director, full and part-time employees attending off-duty job-related or technical school courses may be reimbursed for the cost of the course. The city will reimburse the cost of the classes 50% up to \$1,500 maximum annually. Reimbursement will be contingent upon completion and passing of the course, and availability of budget funds. Reimbursements over \$1,500 annually may be considered for special circumstances subject to City Manager approval. Off-duty non-job related courses will not be reimbursed.

Employees whose workday is more than eight hours, still only receive eight hours of holiday pay. Employees are required to use their leave time if they do not work their scheduled hours except during a holiday week (refer to section 6.1). Full-Time employees accrue leave beginning on the date of hire and may begin to use accrued leave at the completion of two full pay periods. If personal circumstances require an employee be absent during the initial two pay periods, leave without pay shall be taken. The employee shall make application for reinstatement within 90 days of discharge and shall report for work within six months following separation from active duty. Failure to comply will terminate the extended military leave. When an employee voluntarily reenlists or extends their period of military service, this military leave shall be deemed canceled. Employees on extended military leave without pay are not required to exhaust their leave banks prior to going on leave without pay.

6.18 Military Family Leave (MFL). Military Family Leave will be granted according to federal and/or state requirements. 6.19.4 Use of Other Leave. The employee must exhaust all accrued leave and compensatory time before FMLA leave without pay is allowed. The accrued paid leave and compensatory time the employee is required to take will be counted toward the employee's FMLA entitlements. If an employee is entitled to FMLA leave that extends beyond the time the employee has exhausted their accrued paid leave, the employee will continue on unpaid FMLA leave for the remainder of the approved FMLA leave. Paid leave shall not accrue during the period of unpaid FMLA leave. Where appropriate, the City shall coordinate an employee's workers' compensation leave with FMLA leave so that the two run concurrently. FMLA leave shall run concurrently with any other qualifying leave.

6.19.5 Job Restoration. Upon returning from FMLA leave, an employee shall be restored to the employee's original job or an equivalent job with equivalent pay, benefits and other employment terms and conditions. After an employee returns from FMLA leave the employee's use of FMLA leave will not result in the loss of any employment benefits to which the employee would have been entitled if the employee had not taken leave. An employee on FMLA leave must notify the City at least two weeks before the end of the leave of the employee's availability and capacity to return to work. Before returning to work from FMLA leave taken due to an employee's own serious health condition, the employee must provide the City with a fitness for duty certification from the employee's health care provider stating that the employee is able to perform the essential functions of the employee's position. An employee's failure to return from leave or failure to contact the City on the scheduled date of return will be considered a voluntary resignation.

6.19.6 American with Disabilities Act (ADA). The City will comply with all federal and/or state ADA requirements. Employees should contact the Personnel Director for information and/or assistance.

6.19.7 Benefits. During the approved FMLA leave the City will pay its portion of the employee's group insurance premiums. If an employee does not return from FMLA leave they may be required to reimburse the City the cost of group insurance premiums.

6.19.8 FMLA or MFL Extension. FMLA or MFL may be extended, upon written request, when accompanied by an explanation from the employee's healthcare provider of the need for an extension period. Even with an extension, however, a FMLA leave or MFL cannot exceed a total of six months. The City does not pay its share of any employee group insurance premiums during any extension of the FMLA leave or MFL. The employee is responsible for converting any group insurance coverage to individual coverage and prepaying each month of the premium during any extension period. Employees must arrange for a continuation of such coverage with the City prior to the commencement of the FMLA leave or MFL extension period.

6.20 Personal Leave of Absence without Pay. Under certain conditions the City Manager may grant an employee a personal leave of absence without pay for a specified period of time, not to exceed three months, except as provided in Section 6.21. A leave of absence must be requested in writing and submitted to the employee's immediate supervisor as soon as the need for leave is known. The City will exercise its discretion in deciding whether to grant any leave requested. The employee requesting personal leave must have a satisfactory work record, approval of their supervisor and a valid reason for requesting the leave. Circumstances determine the length of leave permitted. Group insurance coverage terminates at the end of the month in which the personal leave of absence begins. All accrued leave and compensatory time must be used prior to taking leave without pay. Accrual of leave benefits terminates when the personal leave of absence without pay begins. The employee who desires to convert their group coverage to individual coverage during the period of a personal leave of absence must make arrangements for prepaying their individual premium each month. Such arrangement should be taken care of before commencement of the personal leave of absence, but in no case later than 30 days after the end of the month in which the leave commenced. Employees returning from personal leave of absence are entitled to reemployment in their position. Employees on leave may return early if they notify their supervisor at least five working days in advance. Failure to return from leave on or before the agreed upon date, however, will be considered a voluntary resignation

6.21 Sabbatical. Under certain conditions the City Manager may grant an employee a sabbatical leave of absence without pay for any period up to one year. A sabbatical leave is expressly intended to extend or enhance the education/training of the employee for the benefit of the City. The employee requesting a sabbatical must have been employed by the City for at least five continuous years and have a satisfactory work record. The City Manager shall have the discretion whether to grant sabbatical requests on a case-by-case basis. Provisions of the sabbatical shall be outlined in a written Sabbatical Leave Agreement which shall include, but not necessarily be limited to health insurance, duration of sabbatical, purpose, and reinstatement to position. All accrued leave and compensatory time must be used prior to taking leave without pay.

6.22 Change of Anniversary Date Because of Unpaid Leave of Absence. If an employee takes a

leave of absence without pay or sabbatical for more than 30 days during a calendar year, the employee's Anniversary Date shall be advanced by the number of days the leave without pay or sabbatical exceeds 30. For purposes of the Public Employees' Retirement System (PERS), a leave of absence without pay exceeding ten accumulated working days in any calendar year or layoff status authorized by the employer is considered an interruption of employment and no credited service will be granted by PERS for those periods of time unless the interruption was the result of work related injury or military leave.

6.23 Retirement, Deferred Compensation, Life Insurance, and Medical Benefits. The City offers retirement, deferred compensation, group life insurance, and group medical insurance plans for full-time employees which are administered by the Personnel Director and approved by the City Council. Part-time employees are eligible to participate in the deferred compensation plans and medical insurance plan upon employment. Medical benefits for the employee only are available for all part-time 20, 24 and 28 hour employees based on a prorated cost. The Personnel Director will provide all eligible employees information concerning the programs. Participation in benefits is determined by the provisions of each specific benefit plan and regulations pertaining to the same. The City reserves its right to change or discontinue these benefits at any time.

6.24 Occupational Death Benefit. In the case of the occupational death of an employee, it is the policy of the City to reimburse the cost of the health insurance premiums for the employee's spouse and/or dependent(s) ("Qualified Beneficiaries") to continue coverage under the City's group health plan pursuant to "Public Sector" COBRA; provided that continuation coverage is timely elected by such Qualified Beneficiaries. Such health coverage continuation reimbursements shall continue from the date of the Qualified Beneficiaries' loss of coverage, until the date the Qualified Beneficiaries are no longer eligible for COBRA continuation coverage, to a maximum of 24 months. An employee's spouse and/or dependent(s) are only eligible for this benefit if they are enrolled in the City's group healthcare plan at the time of the employee's death, and timely elect COBRA coverage. The employee's spouse and/or dependent(s) shall be solely responsible for any tax obligations of any kind arising from the City's reimbursement of COBRA insurance premiums on their behalf.

For a death to be considered occupational:

1. It must occur before the employee's retirement and before the employee's normal retirement date,
2. The proximate cause of death is a bodily injury sustained or a hazard undergone while in the performance and within the scope of the employee's duties, and
3. The injury or hazard is not the proximate result of willful negligence of the employee.

CHAPTER SEVEN

PERFORMANCE EVALUATIONS

7.1 Purpose. The purposes of the performance evaluation are as follows;

7.1.1 To improve the overall performance quality of the department in the delivery of public services;

7.1.2 To improve the skills, knowledge and ability of the individual employee;

7.1.3 To identify and resolve problems within the department; and

7.1.4 To provide a record of pertinent information on which to make employment related decisions relevant to individual employees.

7.2 Periods of Evaluation. All full and part-time employees shall have their performance evaluated at the following times:

7.2.1 Probationary Period. The probationary period is the first six months of continual employment for all full-time employees except division of police services employees which shall be the first twelve months of continual employment. The probationary period for part-time employees shall be the first 1040 hours worked (the equivalent of six months) or 2080 hours worked for part-time division of police services employees. Casual and temporary employees are employed at will and do not receive a probationary period. In the Department Director's discretion, periods of casual or temporary employment in the same position as the position into which an employee is hired on a probationary basis may be considered part of an employee's probationary period. The initial probationary period may be extended as provided in Section 7.2.1.1.

7.2.1.1 Extension. If an employee's performance is less than satisfactory after the completion of at least two written evaluations the Department Director may upon consultation with the Personnel Director extend the probationary period up to an additional six months. The evaluation form should state the reason for the extension, further training required or goals to be met. Merit increases will not be approved until the successful completion of a probationary extension period.

7.2.1.2 End of Probationary Period. Each employee shall be evaluated within ten days prior to completion of their probationary period or any extension thereof under Section 7.2.1.1 of these regulations. The employee must have an overall evaluation of at least "satisfactory" at the end of the probationary period in order to be removed from probation or to continue in their position.

7.2.1.3 Probationary Dismissal. Probationary employees may be dismissed for any reason prior to completion of the probationary period, or any extension thereof on a recommendation of the supervisor or Department Director with concurrence of the Personnel Director. The reason for dismissal must be stated in writing and given to the employee. The dismissal of a probationary employee is final and not subject to the grievance or appeal procedure.

7.2.2 Annual. Each employee shall receive an annual or 2080 hour performance evaluation within one month of their Anniversary Date.

7.2.3 Special. A special performance evaluation may be completed whenever there is a significant change upward or downward in the employee's performance or:

7.3 Evaluation Form. The evaluation shall be completed on a performance evaluation form supplied by the Personnel Office.

7.4 Review of the Performance Evaluation. The supervisor or Department Director completing the evaluation shall review the completed evaluation with the employee prior to its submittal to the Personnel Director and the City Manager.

7.5 Unsatisfactory Evaluation. An unsatisfactory evaluation may result in a disciplinary work plan, salary reduction, suspension without pay, a demotion, dismissal or other disciplinary measures depending upon the extent of the unsatisfactory performance and the number of unsatisfactory evaluations the employee has previously received. An employee with an unsatisfactory evaluation or on a disciplinary work plan is not entitled to a merit increase.

7.6 Appeal Procedure. If an employee believes an evaluation to be unfair or unrepresentative, the City will permit the employee to file a written reply to be attached to the evaluation form within five days of receiving the evaluation. Within five days of the employees reply the City will permit the supervisor to attach a rebuttal to the employees reply. No additional replies from the employee or supervisor will be attached. If an evaluation results in a salary reduction which the employee deems to be unfair, the employee may grieve such action as provided in Chapter 11 of these Regulations. The contents of the performance evaluation, however, are not subject to the grievance procedure. If an evaluation results in a contemplated demotion, dismissal or suspension without pay, prior notice shall be given and the employee shall have the right to a pre-deprivation meeting according to the procedures set forth in Chapter 10 of these Regulations.

CHAPTER EIGHT

It shall be the responsibility of each City employee to remain free from indebtedness or favors which would tend to create a conflict of interest between personal and official interest or might reasonably be interpreted as affecting the impartiality of the individual employee. If an employee is tendered or offered a gift or gratuity which would, in the eyes of the public or in the eyes of public officials, be construed as an attempt to bribe, influence, or to encourage special consideration with respect to municipal operations, such offer shall be immediately reported to the employee's supervisor who in turn will inform the Department Director and the City Manager. The City takes complaints of ethics violations very seriously. Every effort should be made to follow the chain of command when reporting a violation of this section. Employees may also file a

complaint or discuss or express any issue of concern with the Personnel Director. Any complaints from the public regarding violations of this section should be referred to the Personnel Director. The City prohibits any form of retaliation against any employee for filing a complaint under this policy or for assisting in a complaint investigation. However, if after investigating any complaint of ethics violations, the City determines the complaint was not made in good faith or that an employee has provided false information regarding the complaint, disciplinary action may be taken against the individual who filed the complaint or who gave false information.

8.8.1 Step 1. The employee or member of the public filing an ethics violation should provide a written complaint to their immediate supervisor, Department Director or the Personnel Director.

8.8.2 Step 2. The supervisor or Department Director will forward the complaint to the Personnel Director within five working days after receiving the complaint.

8.8.3 Step 3. Within five working days of receiving the complaint the Personnel Director will file the complaint with an Ethics Committee formed to address the complaint. The meeting will be closed to the public.

8.8.4 Step 4. The Committee will provide a written finding to the City Manager within five working days of the close of the committee hearing. If disciplinary action is recommended the City Manager shall follow the procedure set forth in Chapter 10 of these Regulations. The findings of the committee are confidential and will not be disclosed to the public. The City Manager may issue a brief written statement to the public or the parties involved which will state only whether the allegations were unfounded or if founded that appropriate disciplinary action was taken.

8.13 Office Technology Policy. Employees are required to use City technology including, but not limited to, Internet, email and cell phones in an appropriate, legal, ethical and professional manner. Employees should exercise the same restraint and caution in drafting and transmitting messages over the Internet as they would when writing a memorandum and should assume that their message will be saved and viewed by someone other than the intended recipients. City business conducted on personal technology equipment is subject to the office technology policy. The following policies have been established for use of City technology.

8.13.1 Right to Monitor. City technology including, but not limited to, Internet, E-mail or cell phone use is not guaranteed to be private or confidential. All electronic communications are City property. No e-mail or other electronic communications may be sent which hides the identity of the sender or represents the sender as someone else. Also, be aware that the City's name is attached to all messages so use discretion in formulating messages.

The City's workers compensation carrier will provide statutory benefits for any days over three that an employee is unable to work. An employee who feels he or she is being harassed or discriminated against or is aware of activities in the workplace that may constitute harassment or discrimination shall report the perceived discrimination or harassment immediately to their supervisor, Department Director, Personnel Director, City Manager or any City Official (as defined by this chapter) that the employee feels comfortable reporting to.

9.7.2 All City Officials shall take immediate action when they become aware of a situation involving allegations and/or acts of discrimination.

9.7.3 The Personnel Director shall provide technical assistance and support to City Officials, employees, and complainants in their efforts to resolve complaints of discrimination, and cooperate with compliance agencies in processing and investigating formal complaints of discrimination.

9.7.4 The City Attorney shall provide legal advice and assistance as requested by the Personnel Director or as the City Attorney's Office deems necessary.

9.8 Procedure for Informal Complaints. City employees may make appointments with any City Official during the workweek to report harassment or discrimination in the workplace. If, for any reason, the City Official to whom the employee wishes to report the discrimination or harassment is unable to meet at the initial time requested, the City Official shall reschedule an alternate meeting time with the employee that is no more than five working days after the initial request.

9.8.1 Processing Informal Complaints of Discrimination.

9.8.1.1 When a City Official becomes aware of an allegation of discrimination, immediate action shall be taken to notify the Personnel Director, or in the event the Personnel Director is involved in the allegations in the complaint, the City Manager, to review and attempt to resolve the allegation. The reviewing City Official shall advise complainant and respondent in the writing of the results of the review.

9.8.1.2 A complaint must be filed within 180 days of the date the incident occurred to be considered for informal review.

9.8.1.3 Upon receipt of an informal complaint of discrimination from a complainant or at the request of a City Official, the Personnel Director or other appropriate City Official shall assist the parties in an attempt to resolve the issues raised by the complainant.

9.8.1.4 The Personnel Director shall make every effort to resolve an informal complaint within 30 calendar days from the date the complainant files the complaint. The Personnel Director or other appropriate City Official will inform the employee of their right to file a formal complaint with a compliance agency.

9.9 Procedure for Formal Complaints. City employees must make arrangements with their supervisors when they wish to schedule official duty time to consult with a compliance agency on matters relating to a formal complaint for harassment or discrimination. When an employee cannot be released at the requested time, an alternate time should be scheduled within five working days of the time originally requested.

9.9.1 The Personnel Office will be the central point for receiving complaints, interrogatories and requests for information or documents from compliance agencies. City departments will forward all information pertaining to a complaint to the Personnel Director who will coordinate and forward the materials prepared in response to the compliance agency request within the time frame required.

9.9.2 Any City employee named as a respondent in a complaint will be expected to assist the department in its effort to expeditiously review and, if possible, resolve the issues listed in the complaint. However, no employee shall be expected to waive any of their personal rights.

9.9.3 The City Attorney's Office will retain a file of each formal complaint received in which a City department or employee is listed as respondent. Legal advice and assistance will be provided to the City Manager, Personnel Director or any department as requested, or as the City Attorney's Office deems necessary. In all cases where a compliance agency takes a complaint to public hearing when the City is a respondent, the City Attorney's office will represent the City and the respondent department.

9.10 Retaliation. The City prohibits any form of retaliation against any employee for reporting or participating in a proceeding connected with a matter of public concern pursuant to Section 1.15 of the City Code. However, if the City determines that the complaint was not made in good faith or that an employee has provided false information regarding the complaint, disciplinary action may be taken against the complainant or the individual(s) who gave the false information. Any decision which constitutes an adverse action against an employee who has a current informal or formal complaint of discrimination pending must be approved by the City Attorney's office. All City Officials should avoid actions that might be construed as retaliatory against the complainant.

CHAPTER TEN

DISCIPLINE - CAUSES AND ACTIONS

10.1 Discipline Policy. When an employee's performance or conduct falls below desirable standards, the employee may be subject to disciplinary action. The nature or severity of the disciplinary action depends upon the severity of the offense as well as the number and frequency of previous acts of misconduct.

10.2 Oral Warning. An employee may be informed orally by their supervisor of the unacceptable behavior or performance and what must be done to correct the situation. This initial counseling session shall be considered an oral warning and the supervisor shall make a written note of the warning and place it in the employee's personnel file.

10.3 Written Warning or Disciplinary Work Plan. An employee who has either ignored an oral warning or whose conduct is severe enough to warrant more serious action than an oral warning may receive a written warning or a disciplinary work plan. The written warning or the documentation regarding the disciplinary work plan shall explain how the full or part-time employee's behavior has been unacceptable and what must be done to correct the situation. A disciplinary work plan must be for a specific period of time, may not exceed one year and should provide the dates for performance reviews while on the work plan. The employee must have an overall performance review of at least "satisfactory" at the end of the disciplinary work plan in order to continue their employment. A copy of the written warning or disciplinary work plan shall be given to the employee and a copy placed in the employee's personnel file.

10.4 Employee Response to Warning or Disciplinary Work Plan. Oral and written warnings and disciplinary work plans are not subject to the grievance procedure. An employee may file a written reply within five working days of receiving the warning or disciplinary work plan. The employee's written reply will be attached to the warning or disciplinary work plan and placed in the employee's personnel file.

10.5 Suspension Without Pay, Demotion, Dismissal. An employee may be suspended without pay, demoted or dismissed for cause by the Department Director with approval by the Personnel Director if previous counseling or discipline has not resulted in the expected improvement or if the seriousness of the specific incident or the whole pattern of such employee's past performance and conduct justifies the imposition of more severe disciplinary actions in the first instance. When an employee is suspended without pay, demoted or dismissed for cause, the Department Director shall follow the procedure set forth in Section 10.6 of these Regulations. If suspended without pay the employee may not use leave time, receive holiday pay or accrue leave while on suspension. Reasons for suspension without pay, demotion or dismissal may include but are not limited to:

10.5.1 Drinking intoxicating beverages or use of nonprescription depressant, or misuse of prescription stimulant, hallucinogenic or narcotic drugs on the job or arriving on the job under the influence of intoxicating beverages or such drugs .

10.5.2 Discrimination or harassment on the basis of a protected status (Refer to Chapter 9 of these Regulations).

10.5.3 Insubordination, willfully disobeying the directive of a supervisor by a verbal or nonverbal refusal or unreasonable delay in completing work. An employee's refusal to follow a directive that is illegal or a violation of City Code or written policy shall not be considered insubordination.

10.5.4 Excessive absences or tardiness.

10.5.5 Inability to perform the assigned job.

10.5.6 Being wasteful of material, property or working time.

10.5.7 Falsification of information on employment application or resume.

10.5.8 Conviction of a felony or a misdemeanor involving moral turpitude.

10.5.9 Being absent from work without permission or failing to report to supervisor or Department Director.

10.5.10 Inability to get along with fellow employees or the public so that work being performed is hindered or below required standards.

10.5.11 Exhibiting behavioral problems to employee's supervisor, co-workers or the public which hinder the employee's or the City's performance.

10.5.12 Violation of the Personnel Regulations, written departmental rules or any other applicable federal, state or local laws.

10.5.13 Falsification of time sheets.

10.5.14 Sexual discrimination or racial harassment of co-workers or the members of the public (Refer to Chapter 9 of these Regulations)

10.5.15 Violations of written departmental safety procedures that endanger the employee, co-workers or the public.

10.5.16 A violation of any section of the General Conduct requirements in Chapter 8 of these Regulations.

10.5.17 A violation of the Commercial Drivers License (CDL) drug and alcohol testing policy.

10.6 Pre-Deprivation Hearing. Before a full or part-time employee is suspended without pay, demoted or dismissed for cause, the employee shall be given written notice of the contemplated personnel action by the Department Director. The written notice shall state what personnel action is contemplated, describe the reasons for such action, and advise that the employee is entitled to a hearing with the City Manager upon written request. The written notice shall also inform the employee that if no hearing is requested within five working days after receipt of the written notice, the personnel action will become final. The written notice of the contemplated personnel action shall be personally delivered to the employee or, if unavailable at work, sent by certified mail return receipt requested to employee's last known home address. Notices mailed to the employee's home address will be considered received on the acceptance date of the certified mail receipt. A copy of the written notice and the means of delivery or attempted delivery shall be placed in the employee's personnel file. The hearing shall be scheduled by the City Manager and held not more than ten working days after the City Manager's receipt of the written request for a hearing, except by mutual agreement.

10.6.1 If the full or part-time employee files a timely request for a hearing with the City Manager, the contemplated personnel action shall not become effective until the City Manager has completed a review and issued a written decision. If the employee does not file, or files an untimely request for pre-deprivation hearing the contemplated personnel action shall become effective and final upon the expiration of the five working day period and the employee shall be deemed to have waived the right to a pre-deprivation hearing and the right to appeal.

10.6.2 At the pre-deprivation hearing the Department Director shall state the reasons for the contemplated personnel action and recite the facts in support. The employee shall have an opportunity to present their position and any supporting facts. Witnesses may be called to testify by either party, however witnesses cannot be compelled to testify or appear. The hearing shall be closed to the public. The City Manager will issue a written decision within five working days after the pre-deprivation hearing.

10.7 Administrative Leave With Pay. In a situation where, in the Department Director's opinion and with City Manager approval, the employee's continued presence on the job during an administrative investigation or prior to the effective date of the contemplated personnel action poses a significant and immediate threat to public health or safety, a co-worker, city property, or to the efficient and harmonious conduct of City business, the employee may be placed on administrative leave with pay at their hourly rate of pay, excluding shift differential, prior to the effective date of the contemplated personnel action. If an employee is terminated after being placed on administrative leave with pay all leave accrued from the date the administrative leave with pay began until the termination date shall be forfeited. Only leave that has accrued prior to the administrative leave with pay date shall be paid to employee upon termination.

10.8 Appeal of Disciplinary Action. Any appeals of personnel actions taken under Section 10.6 of these Regulations involving suspensions without pay, demotions, or dismissals shall be submitted to arbitration under Section 11.5 of these Regulations. The appeal shall be initiated by filing a written request for arbitration with the Personnel Director within five working days of the City Manager's decision. The request for arbitration shall contain the information required by Section 11.5.1 of these Regulations. Filing a request for arbitration shall not suspend the effect of the City Manager's decision.

CHAPTER ELEVEN

COMMUNICATION, GRIEVANCE AND APPEAL PROCEDURE

11.1 Purpose and Policy. It is recognized that communication of constructive suggestions and problems contributes significantly to improving the overall quality of work performed and conditions of employment. It is the policy of the City to provide appropriate avenues of communication to meet a variety of needs. It is the desire of the City to resolve problems and pursue suggestions through an informal process where such a process is in the best interest of the City and its employees. Formal procedures are provided for those situations when the informal process is not appropriate. Employee(s) may file a grievance or a civil rights complaint. Civil rights discrimination complaints may be made under Chapter Nine. Employees should refer to section 1.15 of the Homer City Code for information regarding Protection for Whistleblowers.

11.2 Employee Communications. All employees are encouraged to communicate any problems or complaints they may have to the City, utilizing the procedures outlined in these Regulations. All employee suggestions or complaints will be given full consideration by City management. Any time an employee has a question, problem or complaint, the employee should do the following:

11.2.1 Consult with employee's immediate supervisor. Generally the employee and supervisor will be able to resolve the problem. If the problem is not solved at this level;

11.2.2 The employee may request a meeting with their Department Director to resolve the problem. If the employee receives no satisfaction at this level;

11.2.3 The employee may request a meeting with the City Manager and/or Personnel Director to resolve the problem. The final determination will be made by the City Manager.

11.3 Definition of Grievance. A grievance is a complaint by a full or part-time employee or group of employees alleging a violation of federal, state, local laws or these Regulations which pertain to the terms and conditions of employment with the City. Temporary, casual, seasonal and probationary employees are employed at will and are not entitled to the grievance procedure. The following matters are exempt from the grievance procedure:

1. Disputes relating to the contents of a performance evaluation (Refer to Chapter 7)
2. Oral or written warnings or an employee being placed on a disciplinary work plan (Refer to Chapter 10)
3. Disputes relating to suspension without pay, demotion or dismissal for cause which are processed under the pre-deprivation hearing procedure, in Chapter 10.
4. Disputes which relate to the City's right to establish or change personnel or business policies, practices, rules or regulations.
5. Any other matter which, according to these Regulations, is not subject to the grievance procedures.

11.4 Grievance Procedure Steps. A grievance shall be handled in the following manner:

11.4.1 Step 1. The aggrieved employee(s) shall present the grievance orally to their immediate supervisor within five working days of its occurrence, not including the day of the occurrence. The supervisor shall give an oral reply within five working days of the date of presentation of the grievance, not including the date of the presentation. If the grievance is resolved at Step 1, the supervisor shall prepare a memorandum to the grievant(s) setting forth the terms of the resolution. A copy of this memorandum should be sent to the Department Director and Personnel Director at the time it is sent to the grievant.

11.4.2 Step 2. If the grievance is not settled in Step 1, the employee(s) must submit the grievance in writing, dated and signed by the aggrieved employee(s). The written grievance shall be presented to the Department Director within five working days after the supervisor's oral reply is given not including the day the answer is given. The Department Director shall reply in writing to the grievance within five working days of the date of the presentation of the written grievance, not including the day of the presentation. If the grievance is resolved at Step 2, the Department Director shall prepare a memorandum to the grievant(s), setting forth the terms of the resolution. The Personnel Director should be provided a copy of this memorandum at the time it is sent to the grievant(s).

11.4.3 Step 3. If the grievance is not settled in Step 2, the grievance may be presented in writing to a committee. The grievance should be presented to the Personnel Director who will form a committee composed of a City employee not affected by the grievance selected by the aggrieved employee(s), the Personnel Director and a Department Director not associated with the department involved within seven days of receiving the grievance. This committee shall select a chair from its members. The committee shall meet within five working days of receiving the grievance to review all pertinent correspondence, records and information. The committee shall present its recommendations along with all pertinent correspondence, records, information and an audio recording of the committee's meeting to the City Manager within five working days of the hearing. The City Manager shall reply to the grievant(s) in writing within ten working days of the presentation of the written recommendation from the Committee. A copy of City Manager's reply shall be sent to the Personnel Director at the time it is sent to the grievant(s). The employee may choose to skip the committee process. In that event, the employee shall go directly to the City Manager with the grievance.

11.4.4 Step 4. If the grievance is not settled in Step 2 and the aggrieved employee(s) elects not to utilize the grievance committee process of Step 3, the matter may be appealed in writing to the City Manager within five working days of the date the employee receives the Department Director's written decision. The aggrieved employee(s) should submit a written request for a hearing with the City Manager to the Personnel Director. The aggrieved employee(s) should attach copies of all information pertaining to the grievance to the request. The City Manager will schedule a hearing within ten working days of receiving the

request. At the hearing the employee(s) will state the reasons for the grievance. The Department Director shall have an opportunity to present their position. Witnesses may be called to testify by either party, however witnesses cannot be compelled to testify or appear. The hearing shall be closed to the public. The City Manager shall reply to the grievance in writing within seven working days of meeting with the grievant(s). Copies of the written decision shall be given to the grievant(s), the Department Director and the Personnel Director.

11.4.5 Step 5. If not satisfied with the City Manager's decision the aggrieved employee(s) may request arbitration pursuant to the procedures outlined in Section 11.5.

11.5 Arbitration Procedures. An employee may request arbitration of any unresolved grievances after completion of Step 3 or Step 4. The procedures for arbitration are as follows:

11.5.1 The employee(s) shall send a written request for arbitration to the Personnel Director explaining the specific unresolved grievance and referring to any provisions of the Personnel Regulations or any other law applicable to the grievance. The request shall be submitted to the Personnel Director within five working days of the City Manager's decision.

11.5.2 Within five working days of receipt of a request for arbitration, the Personnel Director shall forward the request, together with the appropriate administrative fee, to the American Arbitration Association (AAA) for the initiation of arbitration proceedings. AAA proceedings shall be conducted by an arbitrator located in the State of Alaska unless, despite reasonable efforts by both parties, a qualified arbitrator located in the State of Alaska cannot be found. In lieu of submission to AAA, the grievant and the City Manager may agree to submit the matter to an arbitrator(s) to be selected by mutual agreement.

11.5.3 The arbitration shall be held at City Hall unless space is unavailable in which case the arbitrator shall select another location in the City. The aggrieved employee(s), the affected Department Director, City Manager and Personnel Director shall be entitled to be present at the arbitration. The aggrieved employee(s) and the City Manager may each have, as an assistant, one person to be in attendance at the arbitration. Either or both parties may be represented by an attorney in lieu of the assistant. The arbitration shall be closed to the public unless the aggrieved employee(s) requests the arbitration to be open to the public.

11.5.4 The arbitration shall be conducted by the arbitrator in whatever manner will most expeditiously permit full presentation of the evidence and argument of the parties. Witnesses may be called to testify by any party; however, witnesses cannot be compelled to testify or appear.

11.5.5 The arbitration shall be conducted under the AAA Employment Arbitration Procedures unless a different rule or procedure is set forth in the City Code or the Personnel Regulations. In the case of any inconsistency, the City Code and the Personnel Regulations, in that order of priority, shall prevail over the AAA Employment Arbitration Procedures. The

Personnel Director shall make copies of the Employment Arbitration Procedures available to any City employee upon request.

11.5.6 Post hearing briefs shall be submitted by the parties only if ordered by the arbitrator.

11.5.7 The arbitrator shall have no authority to amend, modify, nullify, or ignore provisions of law, ordinances, or Personnel Regulations. The arbitrator shall consider and decide only the specific issue(s) submitted and has no authority to decide issues not submitted.

11.5.8 The arbitrator's award shall include a summary of the arbitrators' findings and conclusions. All expenses of the arbitration, not including attorney's fees and expenses for witnesses, shall be paid by the City. If the City is the prevailing party, then each employee who is a party to the grievance shall reimburse the City \$600.00 of expenses of the arbitration, which include AAA administrative and arbitrators' fees, travel and other expenses but no more than the total actual cost of the arbitration fees. Payment is due from the employee within 30 days of the grievance decision from the arbitrator. Each party shall bear its own attorney's fees and the expenses of producing witnesses called on its behalf.

11.5.9 Copies of the arbitration decision shall be personally delivered or mailed to the parties directly affected by the arbitration, the Personnel Director and the City Manager. The Personnel Director shall provide informational copies to the City Council. The arbitration decision shall be a public record.

11.6 Enforcement of Arbitrator's Decision. The arbitrator's decision is final and binding on all parties. The award may be enforced under AS 09.43.110.170.

11.7 Standard of Review. The arbitrator may exercise independent judgment in the finding of facts. In all other aspects of the decision, the standard of review to be applied by the arbitrator shall be whether the decision, action or inaction of the City was arbitrary or capricious or in violation of these Personnel Regulations, or applicable constitutional guarantees, statutory law, City Code or the common law.

CHAPTER TWELVE

SEPARATION FROM EMPLOYMENT

12.1 Resignations. To resign in good standing, an employee must present a written resignation to the employee's Department Director at least fourteen calendar days in advance of the resignation date, exclusive of accrued leave which the employee intends to take. This requirement may be waived in writing by the Department Director where adequate provisions can be made for a successor in that period of time (if one is needed right away) as well as under extenuating circumstances, (i.e., sudden need to leave for medical reasons, need to leave by unexpected military orders for employee or spouse, etc.). A copy of any employee's resignation shall be kept in the employee's personnel file. A resignation without the notice required by these rules may be grounds for denying reemployment with the City. Upon approval of the Department Director and concurrence of the City Manager, an employee may withdraw a resignation at any time prior to the effective date of resignation providing the position has not already been filled. An employee shall be regarded as having resigned without good standing if, while able to notify the employee's supervisor of the reason for his or her absence:

12.1.1 The employee fails to report for duty for two working days without notifying his supervisor; or

12.1.2 The employee fails to report for duty upon the expiration of a leave of absence/annual leave.

12.2 Exit Interview. The Personnel Director will conduct an exit interview for any terminating full-time or part-time employee. Employees will be notified of the option to meet with the City Manager during the exit interview. Preceding or during the exit interview, employees are expected to return all City property, including but not limited to, keys, IDs, and uniforms owned by the City.

12.3 Lay Offs. The City Manager may lay off employees whenever the abolishment of a position or other financial changes in the City's organization necessitates a reduction in the number of employees. Casual, temporary, probationary or part-time employees within the Department in which the work force reduction is occurring shall be laid off before full-time employees. If the City Manager deems it to be in the best interests of the City, full-time employees may be assigned to vacant part-time, temporary or casual positions in lieu of layoff, and at a pay rate determined to be appropriate by the City Manager, provided such employee possesses the qualifications for the vacant position. Layoffs by position shall be made in reverse order of employee seniority by job classification within each Division, unless an employee has had a less than satisfactory work performance evaluation and/or is on a disciplinary work plan. Employees scheduled for layoff may replace less senior employees within a Division in equal or lower classifications provided they are qualified to perform the work. Laid-off employees shall have first option for another open position within the City for which they are qualified. For the purposes of this section, first option shall mean that qualified laid off city employees will be hired for the position before the vacancy is advertised to the public. If there are several laid off employees, all of whom are qualified for the opening recall

of the employees shall be in order of seniority. Two weeks before the effective date of a lay off, the City Manager shall notify the employee being laid off, in writing, of the reasons for the layoff. The City Manager may place such an employee in another department where a vacancy exists provided the employee is qualified to assume the duties of the new assignment.

12.4 Dismissal. A dismissal is an involuntary termination by the City of an employee from the City's employment. A layoff is not a dismissal.

12.4.1 Dismissal, Employee: A dismissal for disciplinary reasons or cause (Refer to Chapter 10).

12.4.2 Dismissal, Probationary Employee: A dismissal of a probationary employee for any reason. Probationary employees are at will.

12.4.3 Dismissal, At Will Employee: A dismissal of an at will employee for any or no reason. At will employees are temporary, seasonal or casual employees.

12.5 Severance Pay. In the case where an employee is laid off by the City Manager, the City may give the employee two weeks' severance pay. Final paychecks will be paid per Chapter 5.
